

# **TODD COUNTY GEOLOGICAL ATLAS**

## **Presentation and Workshop**

Todd County Main Street Government Center  
347 Central Ave, Long Prairie MN  
APRIL 27, 2011 – evening public presentation  
or  
April 28, 2011 – one-day workshop

The Todd County GIS & Land Services Department is pleased to invite you to attend your choice of two different educational opportunities:

- A one hour Geologic Atlas Public Information Presentation the evening of **Wednesday, April 27<sup>th</sup>** from 7:00 to 8:00 PM. (*This was rescheduled due to bad weather this winter.*)

OR

- A one day workshop on **Thursday, April 28<sup>th</sup>** to introduce the newly completed Todd County Geologic Atlas from 8:00 AM to 4:30 PM.

Staff from the Minnesota Department of Natural Resources and Minnesota Geological Survey will provide an introduction to the Atlas and its many uses. We invite you to attend an informative workshop from 8:00 AM to 12:45 PM. Lunch will be provided, there is a \$5.00 charge to help cover cost. Following lunch, there will be a field tour from 12:45 to 4:30 PM (transportation will be provided). If you are not able to attend the full-day workshop on the 28th, consider attending the informational presentation the evening of the 27th.

Pre-registration for the workshop is not required, but appreciated. Please send your name and contact information along with \$5.00 to:  
Todd County GIS & Land Services  
347 Central Ave, Ste 1  
Long Prairie, MN 56347

If you have questions call 320-732-4248 or email [gloria.stevenson@co.todd.mn.us](mailto:gloria.stevenson@co.todd.mn.us)

**This program is designed to help you get familiar with Todd County's geology and its' groundwater resources, and how to use the atlas information to protect precious resources now and into the future.**

*Feel free to pass this invitation on to others you think may benefit from attending the workshops as well.*
