We now have a CEP worker to assist at the Battle Point Park.

CEP work needs to have a supervisor, it was suggested that the supervisor for the fairgrounds also supervise the CEP worker

How much time to spend by CEP work each week would be about 25 hrs.

Duties include but not limited to mowing, spraying poison Ivy and cutting brush--Randy was mowing every two weeks

CEP worker will not cost us anything, supervision about \$10 per hr.

CEP worker would need basic tools to do the job, mower, wheel borrow chainsaw etc.

Randy and Dave to look for pickup and trailer not to exceed 2000 dollars for pickup and whatever needed for trailer
motion made by Al and seconded by Kevin

Above resolution also was for a lawn mower if they could find a deal, maybe a demonstrator, etc. No limit on cost, left to Dave and Randy to determine cost and need.

Discussion of visit by John (DNR)--everything went well, needed to look at liability issues and dead trees and limbs ASAP. John to outline possible management plan.

Discussion on possible fund raiser, Pamphlets to possibly be distributed for donation brought up.

Discussion of article in newspaper, good article hoping for more.
