

Todd SWCD Celebrates 50 Years with Open House on Wednesday, July 29, 2015. The public is invited to attend the event which will be held from 3-5 PM at the Thunder Lodge in Long Prairie.

Todd SWCD will be recognized by the Board of Water and Soil Resources (BWSR) for being in Conservation for 50 years. The SWCD will also recognize recipients of the 2015 Conservationist Award and the 2015 Land Stewardship Award.

This Open House is a chance for Todd SWCD to celebrate a long history of conservation in this area. It is also an opportunity to thank members of the community who have helped make Todd SWCD successful in this part of the state.

Old pictures will be on display as will past recipients of the above mentioned awards. Coffee and cake will be served. Come enjoy an afternoon with old friends and neighbors while we celebrate this milestone.
