

**Part 5. Description of Facility Modifications**

The new owner(s) must complete this section and check only one of the following boxes.

- Modifications consist only of a change in ownership or control of the facility. No other modifications are proposed for this facility.
  
- Modifications consist of a change in ownership or control of the facility and the additional modifications described in detail below.

**Part 6. New Owner's Certification**

I hereby certify that I am a new owner of the facility described in Parts 2 through 5 of this Change of Ownership Form and that I have read and understand the requirements identified in this Form. I hereby certify that the construction and/or operation of the facility referenced above will be in accordance with all plans, specifications, reports, permit application submittals, and related communications approved by the Minnesota Pollution Control Agency (MPCA) or delegated county feedlot pollution control officer. I also certify that I will comply with the requirements in Minnesota Rules Chapter 7020, other applicable regulations or standards of the MPCA and local governments, and the conditions that have been or may be imposed in a permit for this facility.

By my signature below, I represent that I have the authority to execute this change of ownership certification on behalf of the owners of the facility and that the information submitted in this Form is, to the best of my knowledge and belief, true, accurate, and complete.

Signature of new owner: \_\_\_\_\_ Date: \_\_\_\_\_
