Reports:

- Road & Bridge Update- Supervisors drove the roads and the report will be typed up for our records, but overall the roads were good. Supervisors will meet with Tri-City to make sure that 275th is ready for paving. The necessary culverts are in and the beaver dam will go out on 281st. Supervisors talked to Perish and were fine if he wanted to put up a fence on the minimum maintenance road (T814) located next to him. Dave Asmus will check with the county and see how that road is recorded so they can find a solution to prevent trespassers.
- Cemetery Update- Dave trimmed the brush and trees at Valley View. It is ready for Robert to start mowing it.

Old Business:

Spring Short course was good, gathered some new information.

Noxious Weed Meeting was informative. Supervisors learned about a new weed that could be dangerous if it spreads.

County Annual Meeting was the same, no real big news or changes made.

Equalization Meeting- no one attended. Everyone must be happy with their taxes.

New/Other Business:

Road Contract with Statema's is up next month. Dave Asmus will contact Andy so the board can discuss and vote at the next meeting.
