TODD COUNTY SWCD BOARD MEETING AGENDA

There will be a meeting of the Todd Soil and Water Conservation District Board of Supervisors on Thursday, September 12, 2019 beginning at 8:00 a.m. The meeting will take place at the Todd County Historic Courthouse (Prairie Conference Room) 215 1st Ave South, Long Prairie, MN 56347

Call to Order
Pledge of Allegiance
Act On Approving Agenda
Call for Conflict of Interest
Secretary’s Report (August’s Minutes)
Treasurer’s Report (Financial) (July & August)
Public Introductions & Comment (when present)

1 Reports
1. Commissioner’s Report
2. Staff Reports
3. Pheasants Forever Report
4. NRCS Report
5. IWIP- SWWD Policy Meeting
6. BWSR Report
7. Celebrations and Accomplishments: Sarah is back! Celebration in itself!
8. Update on animal neglect site
9. Guest: O’Neil - cyanobacteria

2 Decisions Needed
1. Approve encumbering FY2019 State Cost Share funds for Ted Utz, contract #4-19 in the amount of $162.50
2. Approve payment of FY2019 State Cost Share funds for Pay Hegarty, contract #2-19 in the amount of $225.00
3. Approve encumbering MPCA /119 Long Prairie Cost Share funds for Villard Township in the amount of $38,910.00
4. Tentative: Approve encumbering FY19 Local Capacity funds for Sandy Shores
5. Very Tentative: Motley Cemetery Project encumbering of
6. Approve 315 Osakis grant payout for WCTSA technical services for $1800.00 (part of the discussion below)

3 Discussions
1. 2020 Soil and Water Budget/ Processes
2. Envirowest -September 19, 2019 -Shirts -Food, chips, cookies - General Update
3. PIERA forms
4. Membership in NACD
5. Goal setting for 2020 - review of staff recommendations

4 Informational
1. Review & verify information on list of Public Officials

5 ADJOURN

*Estimated times do not include any discussion

The next regular SWCD board meeting will be October 10, 2019 at 8:30 a.m. at the Historic Courthouse, (Prairie Conference Room), 215 1st Ave South, Long Prairie, MN 56347.

Mission Statement: Conservation, Protection, and Enhancement of Todd County’s Natural Resources
MINUTES FROM THE August 8, 2019 REGULAR BOARD MEETING

Chairman Williamson called the Thursday, August 8, 2019 meeting to order at 8:32 a.m.

The meeting was held at the Historic Courthouse, 215 1st Ave South, Long Prairie, MN 56347. Board members present were: Tom Williamson, Leland Buchholz, Kenny Pesta, Dale Katterhagen, and Dan Whitney. Others present were: Deja Antion, SWCD District Manager, Adam Ossefoort, Division Director, Reba Van Beusekom, Conservation Technician, Kevin Brown, Conservation Technician, Lew Noska, Conservation Technician, Lake Thoma, Pheasants Forever, Gary Kneisl and Dave Kircher, County Commissioners, Chris Pence, BWSR, and guests Amelia Sunderbug and daughter.

Introductions were made.

The Pledge of Allegiance was recited.

Williamson asked if there were any additions to the agenda. Buchholz made a motion, seconded by Whitney to approve the agenda for August 8, 2019 regular board meeting. **Affirmative: Williamson, Buchholz, Pesta, and Katterhagen. Motion Carried.**

Williamson called for conflict of interest. No conflict of interest.

Williamson asked if there were any additions or corrections to the minutes from the July 11, 2019 regular board meeting. Pesta made a motion, seconded by Whitney to approve the minutes as disbursed from the July 11, 2019 regular board meeting. **Affirmative: Williamson, Buchholz, Pesta, and Katterhagen. Motion Carried.**

Williamson asked if there were any additions or corrections to the Treasurer’s Report from the June 13, 2019 regular board meeting. Buchholz made a motion, seconded by Pesta to approve the report as disbursed from the June 13, 2019 regular board meeting. **Affirmative: Williamson, Buchholz, Pesta, and Katterhagen. Motion Carried.**

Pesta made a motion, seconded by Buchholz, to approve Antion’s summary of financials, stating that the summary report could not be completed as she had only received the documents from Auditor’s Office that morning and had no time to draw up the program summary. Due to the timing of the meeting being so close to the end of month reporting window for the County, the financial statements were not prepared in full. Katterhagen made a motion to conduct a final review of July’s program’s summary at next month’s meeting in September. **Buchholz seconded.**

REPORTS:

**Commissioner Report:** The County Coordinator’s position was now advertised in house and to the mainstream public accepting applications. They continue to work on the Budget and are finishing it up. Having a 27th pay period, happens once every 14 years, through a wrench in the budgeting process, slowing things down.

**Staff Reports:** Anton reviewed her staff report siting several feedlot and owner assistance visits, and the small watershed focus interviews in hopes of obtaining future grant dollars. Noska reviewed his staff report including tiling, setbacks, culvert projects and many ditch maintenance projects. Brown and Van Beusekom reported on various inspections, registration processing, and surveying.

**Pheasant Forever Report:** Thoma reviewed his staff report which included participating in the Conservation Planning Course, CRP continuous sign up ends 8/23 expecting possible 10 to go through out of the 50 applications. He is reviewing 4 properties for CREP and prepping for RIM monitoring.
NRCS Report: Thoma stated no CSP contracts were funded as they didn’t rank high enough; ditch maintenance and tiling applications are in progress.

1W1P Williamson reported that the Sauk River Watershed applied for a one year extension to finish the development of the 1W1P. He mentioned concern that there would only be one public hearing on the plan at completion.

BWSR Report: Noted there are changes to the grants and administration manual. Applications for the clean Water Fund closes September 9. Only 3 watersheds applied for 1W1P- the Snake, St. Louis, and Mid MN River. He reminded staff of the BWSR Academy coming up in October.

Celebrations and Accomplishments: Noska was recognized for his extra efforts and quality performance in his job, particularly in the removal of a dam to help a landowner who bought a property with a violation unbeknownst. The removal, done by hand, will help lower the lake levels on Lake Charlotte. Many landowners have complained of increasing water levels and flood damage.

DECISIONS NEEDED:

Pesta made a motion, seconded by Buchholz to approve encumbering buffer cost share funds for Steve and Randy Kleinfehn, contract #8-18 Buff, in the amount of $216. Affirmative: Williamson, Buchholz, Pesta, Katterhagen and Whitney. Motion Carried.

Katterhagen made a motion, seconded by Pesta to approve a second extension for FY18 Buffer cost-share for CC Morgan, contract #7-18BUFF. Affirmative: Williamson, Buchholz, Pesta, Katterhagen and Whitney. Motion Carried.

Buchholz made a motion, seconded by Katterhagen, to approve an amendment to contract #1-19 for an additional $1,569.83 in Riparian funds for Jacob May to cover the cost of fertilizer costs required to see. All guidelines were met, including soil testing. Affirmative: Williamson, Buchholz, Pesta, Katterhagen and Whitney. Motion Carried.

Katterhagen made a motion, seconded by Buchholz to approve payment of 2019 Riparian cost share funds for Jacob May, contract #1-19 RA in the total final amount of $3,768.83. Affirmative: Williamson, Buchholz, Pesta, Katterhagen and Whitney. Motion Carried.

Pesta made a motion, seconded by Katterhagen, to approve payment of state cost share contract #1-18 for Wallace Wiese in the amount of 7,350.00 for a pit closure. Affirmative: Williamson, Buchholz, Pesta, Katterhagen and Whitney. Motion Carried.

Whitney made a motion, seconded by Pesta, to approve acceptance of the FY2019 CREP Outreach & Implementation grant in the amount of $32,500.00. Affirmative: Williamson, Buchholz, Pesta, Katterhagen and Whitney. Motion Carried.

Pesta made a motion, seconded by Katterhagen, to approve policy, as written by Anton, for pit closure measures to include the establishment of a pond as a fundable c/s practice.

DISCUSSION:

Whitney suggested giving a quarter to all the kids to celebrate the 25th Anniversary. Other ideas mentioned included the Sheriff department (drones); MN Science Museum: Raptor or eagle center?

Chairman Williamson adjourned the meeting at 10:40 a.m.

The next meeting of the Todd SWCD Board of Supervisors will be held on September 12, 2019 beginning at 8:30 a.m. at the Todd County Historic Courthouse (Prairie Conference room), Long Prairie, MN 56347.

**Feedlot & Farm Conservation Program:**

- **Site Visits (13)**
  - Wiese- Conservation Delivery
  - Middendorf- Construction inspection- stacking slab floor and walls poured.
  - Lake Beauty Bible Camp- new feedlot inspection & registration
  - Schmitz Red Angus- Feedlot compliance and permitting inspection
  - Friese- small fix facility assessment with WCTSA
  - Becker- Facility Assessment for future dairy and beef farms (2)
  - James- Facility Assessment Visit
  - Ritter- Compliance inspection per producer request
  - Rowe- Compliance inspection
  - Buderus- Construction visit
  - Hollermann- Construction visit: sent findings to WCTSA
  - Anderson- Registration visit/ feedlot inspection to register

- **In-house Meetings (3)**
  - NRCS- Jacob May project (8/13)
  - Bruce TWP- feedlot ordinance revisions, allowances, and understandings (8/13)
  - WCTSA- review sites and project (8/22)

- **Air Quality Exemption (1)**

**Producer/Citizen Assistance- Counter & Phone Calls until July 4 (32)**

- **Complaints (4):**
  1. Odor and dirty brown water entering stream next to Long Lake- odor was exempted; dirty water was a result of township road washout
  2. Feedlot fill in wetland and unregistered feedlot- TBD

- **Other:**
  - legal case- feedlot vs/ engineer- potential subpoena
  - MAWQCP Program (3.5 hrs.) - 4 producers (Eischeid, Lemke, Becker, James)
  - AgBMP loan assistance- (.5 hrs) . survey response needed
  - Feedlot Registration Reviews (2 hrs.)
  - Livestock Advisory meeting (8/27)
  - Lake Beauty Bible Camp- MinnFARM & findings of Fact for Bruce TWP. CUP
  - James Farm findings and procedures moving forward

**Trainings:**

- NHIS- Ecological and Endangered Species-8/19
- Right to Know Training- 8/26
- CLC Field Day – attended Irrigation meeting/ EAW impacts on local farmers 8/23

*To Meet the Public’s Needs by Protecting the Land and Safeguarding the Water*
**SWCD Manager Duties:**

**Shoreland/Riparian component:**

**Site visits: (2)**
- Gurley/Fish - shoreland assessment
- Swan Lake - erosion assessment visit
- Long Prairie Packing - stream bank stabilization visit
- Long Lake - Score Your Shore - educational assistance/presentation

**In House Meetings:**
- Greg Fisk; Motley Cemetery (8/15)
- Rick Adamietz (8/19)

**Outreach:**
- Lake Beauty Association presentation (8/17)
- Bid packets for Sandy Shores

**Customer service/Counter & phone calls (Shoreland, AIS, tree sales; general SWCD service) - (34)**

**Other customer assistance/ P&Z / other: Soils/Septic/Demolition: (5)**

**General Management:**

**Grants:**

**Water Planning:**
- 1W1P - meet with SRWD in house (8/20) 1 hr.
- 1W1P - Long Prairie - leadership meeting (8/22) 1 hr.
- 1W1P SRWD (8/28) 5 hr.

**Other:**
- Long Prairie DO Motley Cemetery grant 3.5 hours
- Long Prairie DO Villard TWP 3 hrs
- Long Prairie DO 319 grant reporting 7 hrs.
- Partridge River 319 grant reporting: 9 hrs.
- Osakis 319 Grant reporting 6.5 hrs.

**Riparian - 3 hrs.**

**Meetings:**
- NRCS/SWCD Combined Meeting 9/3 * SWCD Board Meeting 8/8
- Personnel Committee 8/12 * TEP Meeting 8/13
- Division meeting 8/22 & individual w/ director 8/8; Staff meeting 8/5 (one on ones)
- EnviroFest Planning Team - Radio show (8/16); 15 phone outreach connection for presenters; Presenter invite letter; Sponsorship letter and mail out; T-shirt design; School invites, phone calls, emails - emails had correct date! © 16 hrs. - So glad Sarah is back to take care of the fine details.

**To Meet the Public's Needs by Protecting the Land and Safeguarding the Water**
Project Status Report for Feedlot & Conservation Programming

1. Middendorf - near complete
2. Kreemer - Project Complete - Final Compliance Inspection
3. Vetsch - Construction ongoing
4. Hollermann Family Dairy, Inc. - Construction near complete
5. Williamson - Complete
6. Motley Cemetery - complete redo of plan; potential to only cost-share a small portion and will need to amend grant to cover another project
7. Villard TWP - Board Presentation today. With approval, pre-con meeting scheduled for 9/12/2019
8. Anderson - Bid packets provided - no response
9. Helle - Obtaining Bids
10. Eischet - Forced in roof over if EQIP funded - 3rd Plan in Development - working with NRCS
11. Gray - CNMP Completed - working with NRCS
12. Yoder - Under Permit - reduced lot usage for minimal impact until fix complete - NOV issued - new owners
13. Schmitz - Low cost fix design - Under Permit - addressing areas of concern to meet permit conditions
14. Lamun - Waiting for nutrient management plan; survey & design in preliminary stages
15. Lamusga - Funded for CNMP
16. Schmidt - Constructing lot 1 - Needs Follow up visit
17. Ruderus North - working with NRCS - potential Partridge River Phase 2 piggyback?
18. Bertram - sold dairy cows - site visit needed
19. Judd - Preliminary design - Been Calling - No return call
20. Julig - CNMP Complete - Contemplating Osakis Grant Sign up
21. Hauer - Nutrient management plan complete - design complete - P&Z referred entered into County agreement - minimum action - construction due by 2023 per County Agreement. Request for Pit Closure funding. Change in circumstances
22. Larson - technician design complete - waiting for bids. Contact Needed by Deja
23. Waltzing - Preliminary plan in progress; interested in receiving Riparian funäs c/s. Met in Office.
24. Asfeld - Request for WCTSA assistance
25. Fry - Watering Facility - Design Needed. No further request for action.
26. Unger - preliminary plan
27. Berscheit - Nutrient Mgt. Plan Complete - Construction slated for Spring 2020 - Grant Declined
28. Keppers - plan complete - grant submitted - Grant Declined
29. Johnson - plan complete - grant submitted - Grant Declined
30. Hallerman - preliminary design - grant submitted Grant Declined
31. Marcyes - Plan complete
32. Rewitzer - Construction slated for 2019 - NOT Funded
33. Henrich - Construction slated for 2019 - NOT Funded
34. J-V Feeders - NMP Complete - Design Plan Complete - Court case pending
35. Sylvan Shores / Frey - Potential Board Presentation Today
36. Pat Bjornebo - Plan in Development
37. Friese - Small cost plan in development

To Meet the Public’s Needs by Protecting the Land and Safeguarding the Water
38. James- working with NRCS- potential Riparian piggyback?
39. Becker- Site Visit/ Facility Assessment Complete
40. Score cards needed for Middendorfs (2)
41. Fairy Lake- site visit for end of September with WCTSA
42. Long Prairie Packing- steambank stabilization- working with WCTSA- request
43. Weldon- ditch erosion to Long lake (Birchdale)- site visit scheduled for end of September
44. Troska- Field erosion- WCTSA request needed
Reba Van Beusekom’s Staff Report for August 1, 2019 to August 31, 2019:

- Feedlot registrations
  - Working on 2019’s – confirmation letters and sending to PCA
- Other Feedlot Stuff
  - Monthly Feedlot Sit-Down
  - TEMPO work and catch-up
- Site visits
  - Construction
    - Becker Facility

Reporting Dates: August 2019

**Trainings/Meetings attended:** Facilitated August WCA TEP Mtg, CLC Staples Field Day

**WCA:**

Notice of Applications/Delineation:
- Sexton – Delineation Approval
- Hemmesch – Delineation approval/ de minimis
- Hartford twp – Road widening/Delineation and Notice

Notice of Decisions:
- Rach – Private Ditch Maintenance
- Bontrager – Private Ditch Maintenance
- Todd County Public Works – CSAH 11 Bridge Replacement
- Reeck – Cattle Crossing
- Olander – Private Ditch Maintenance

Ongoing Violations/ Upcoming Projects:
- Gilson – Fill Violation - Restored
- Richard Zunker – Extension of Restoration Order sent by DNR

**Other:**
- Tiling Setback Mapping
- Contractor Responsibility for Twp culvert projects and Road ditch maintenance.
- Ditch Surveying for Landowners
- Wetland crossing rehabilitations
- Multiple voluntary violation restorations.

**Customer outreach:**
- 18 Site visits
- 35 Phone calls, office visits, etc.
SWCD:
  o Buffer Technical Assistance
  o Buffer Cost-Share landowner assistance
  o Buffer Law State Compliance Tracking
  o Buffer Violation Review with Sheriff’s Department (Drone)
  o Streambank restoration assistance (Villard/Motley Cemetery)
  o DNR Observation Wells
  o Well Seal Cost-Share

County:
  o Front Counter Assistance (mapping)
  o FEMA Flood Insurance assistance
  o Historic Aerial review for P and Z

Contract Information

I (we), the undersigned, do hereby request cost share assistance to help defray the cost of installing the following practice(s) listed on the second page of this contract. It is understood that:
1. The land occupier is responsible for full establishment, operation, and maintenance of all practices and upland treatment criteria applied under this program to ensure that the conservation objective of the practice is met and the effective life, a minimum of Perpetual years, is achieved. The specific operation and maintenance requirements for the conservation practice listed are described in the operation and maintenance plan prepared for this contract by the technical assistance provider.
2. Should the land occupier fail to maintain the practice during its effective life, the land occupier is liable to the State of Minnesota for the amount up to 150% of the amount of financial assistance received to install and establish the practice unless the failure was caused by reasons beyond the land occupier’s control, or if conservation practices are applied at the land occupier’s expense that provide equivalent protection of the soil and water resources.
3. If title to this land is transferred to another party before expiration of the aforementioned life, it shall be the responsibility of the landowner who signed this contract to advise the new owner that this contract is in force and to notify other parties to the contract of the transfer.
4. Practice(s) must be planned and installed in accordance with technical standards and specifications of the:

Well decommissioning - NRCS 351

5. Increases in the practice units or cost must be approved by the organization board through amendment of this contract as a condition to increase the cost-share payments.
6. This contract, when approved by the organization board or council, will remain in effect unless canceled or amended by mutual agreement, except where installations of practices covered by this contract have not been installed by 12/1/2019, this contract will be automatically terminated on that date.
7. Items of cost for which reimbursement is claimed are to be supported by invoices/receipts for payments and will be verified by the organization board as practical and reasonable. The invoices must include the name of the vendor; materials, labor or equipment used; the component unit costs and the dates the work was performed. The organization board has the authority to make adjustments to the costs submitted for reimbursement.

Applicant Signatures

The land occupier’s signature indicates agreement to:
1. Grant the organization’s representative(s) access to the parcel where the conservation practice will be located.
2. Obtain all permits required in conjunction with the installation and establishment of the practice prior to starting construction of the practice.
3. Be responsible for the operation and maintenance of conservation practices applied under this program in accordance with an operation and maintenance plan prepared by the technical assistance provider.
4. Not accept cost-share funds, from state sources in excess of 50.0%, or state and federal sources that when combined are in excess of 0.0% of the total cost to establish the conservation practice.
5. To provide copies of all forms and contracts pertinent to any other state or non-state programs that are contributing funds toward this project.
Conservation Practice
The primary practice for which cost-share is requested is: Water well decommissioning NRCS 351

Resource Concern: Groundwater and public waters

Protection: There was an old, hand dug well, that the owners wanted to close and drill a new well. Picture below showing location of well and above-ground appearance.

MN Dept. of Health Confirmation Number: Well sealing #357868

Project Components include:
- Well decommissioning – NRCS 351

Recommended pay out and description/justification for any increases or decreases

Final invoice: $550

Staff recommends approving $225 final payout which equates to approximately 50% cost-share.

Technicians/Engineers Involved: Reba Van Beusekom

Administrator: John Doe

[Signature]
Villard TWP Stream bank Project- Sections 22 & 23, Villard TWP, Todd Co., MN-

Submitted By Deja Anton

Resource Concern: Long Prairie River Watershed

Minor - 14027 Long Prairie River

Impaired for dissolved oxygen- oxygen in water allowing aquatic fish, invertebrates and other wildlife to survive

Purpose: The purpose of this project is to prevent further destabilization of the river bank, road mineral pollution, erosion, sedimentation and rechanneling of the stream bed and turbidity altering the biota and habitats within the stream. Secondary benefit: To protect a public roadway for transportation to work and continued access for emergency vehicles from degradation by stream action.

Project Components include:

- Streambank stabilization (code 580)
- Stormwater Runoff control (code 570)

This kind of construction is usually done in late summer/early fall due to low water levels. Engineers are seeing bids come in higher than their own cost estimates. This is expected for these type of projects and this time of year. Villard Township requested bids from 6-8 contractors. All refused to bid siting the project too large for their equipment or capacities at this time of year. The engineer reviewed the sole bid obtained and made a statement that this bid is on mark with other bid contracts for this time of year. Another similar bid for a related project in Villard TWP came in at well over $200,000. SWCD recommends accepting the obtained bid as just.

Engineer cost estimate: $126,060
Contractor bid: $144,850

DNR permits have been obtained.

Staff recommends encumbering FY19 Long Prairie DO in the amount of $86,910 which equates to 60% cost-share.

Technicians/Engineers Involved: Deja Anton & Lew Noska, Todd SWCD technicians & Ross Reiffenberger, P.E, WC TSA
Sandy Shores Townhomes-Shoreline Protection; West City of Osakis; Section 29, Gordon TWP, Todd Co., MN- Submitted and Prepared By Deja Anton

Resource Concern: Sauk River Watershed: Lake Osakis / sediment/ phosphorous loading

Additional concern: structural safety to utilities, nearby residence & further tree loss and undercutting

Minor - Sauk River 16060 Lake Osakis

Impaired for Excessive Nutrients - total phosphorus

Protection: Though this site, 105 linear feet of shoreline, is a relatively small area along Lake Osakis, the loss of sediment in the past year alone was estimated to be 8 feet of linear loss or approximately 60 cubic yards of loss. The erosion has come within a foot of the existing utility poles and fear for the loss of the utility pole into the water is a realistic fear. Erosion has been caused by excessive wave and ice action after the frost freeze cycle began a month early in the fall of 2018. The lake is already impaired for sediment loading and this project is deemed necessary for reducing more land loss into the lake and for safety purposes. Sandy Lake townhomes have agreed to not only establish and maintain a native buffer of 550 square feet along the shoreline but are adding additional gardens with native plantings SW of the repair site as well.

Project Components include:

- Native Riparian Herbaceous planting (Code 390)
- Shoreline Protection (Code 580)
- Stormwater runoff controls (Code 570)

<table>
<thead>

Membership Election by Public Officials

Public Employees Retirement Association (PERA) 60 Empire Dr., Suite 200, St. Paul MN 55103
PERA Employer Fax Number: 651-296-2493; Employer Lines: 651-296-3636 or 1-888-892-PERA

Deductions for coverage in the PERA Defined Contribution Plan (DCP) must not begin until the eligible individual has made a written selection to participate. The employing unit must send this form to PERA only if the eligible official has chosen to enroll in a PERA pension plan (retain this form if the person does not choose to join PERA).

### PART A - CERTIFICATION OF PLAN ELIGIBILITY (to be completed by governmental unit)

<table>
<thead>
<tr>
<th>Name of Governmental Subdivision</th>
<th>PERA Employer No.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Name of Public Official (Last, First, M.I.)</td>
<td>Soc. Soc. No.</td>
</tr>
<tr>
<td>Date Person Took the Position</td>
<td>Pay Cycle(s) that Apply to the Salary of this Position</td>
</tr>
<tr>
<td>Eligibility – Check the box below that describes the reason that the named individual is eligible for DCP membership based on services he or she provides to the identified governmental entity:</td>
<td></td>
</tr>
<tr>
<td>A* Local elected official holding a non-governing body position (i.e. county auditor, treasurer or attorney; city clerk, certain township clerks) or a person appointed to fill a vacant local elected non-governing body position.</td>
<td></td>
</tr>
<tr>
<td>B Official first elected after June 30, 2002 to a local governing-body position (i.e., county commissioner, city council, school board, township supervisor, soil and water board, or other special district board) or a person who is appointed to fill the unfinished term of an elected official who is vacating a governing-body position</td>
<td></td>
</tr>
<tr>
<td>C Person first appointed after June 30, 2010, to a board or commission of this governmental subdivision and who has compensation for this position that exceeds $5,100 per year, or</td>
<td></td>
</tr>
<tr>
<td>D Elected county sheriff who is currently receiving retirement benefits from the PERA Police and Fire Plan</td>
<td></td>
</tr>
</tbody>
</table>

*A person elected to a non-governing body position who earns more than $5,100 per year may join the Coordinated Plan instead of the DCP.

| Signature of Employer Representative | Date | Daytime Telephone No. |

### PART B - MEMBERSHIP SELECTION (to be completed by Elected/Appointed Official)

I make the following choice with respect to my option for PERA membership as an eligible elected or appointed official. (Check only one box as you may not join two PERA plans for wages earned in a single eligible position with an entity.)

- Defined Contribution Plan – Membership is open to all positions listed above. If you choose this membership, participation will begin on the first day in which DCP contributions are taken from your salary, or the date this form is received by PERA provided it is received within 60 days of the contributions. With some exceptions, this membership may preclude withholding Social Security contributions from your public service earnings.
  
  A choice for DCP coverage is revocable during incumbency. Upon filing the proper application form, a full or partial distribution of account value is payable only upon termination of all public service unless you are age 65 or older.

- Coordinated Plan – You may choose this coverage only if you hold a local elected non-governing body position (denoted by Box A above) and you have salary in excess of $5,100 per year. If you choose this coverage, membership begins on the first day for which plan contributions are deducted from eligible earnings provided that PERA receives this written election within 60 days of the receipt of the contributions. Social Security taxes will be withheld from earnings in addition to the deductions taken for coverage in this retirement plan.
  
  A choice for this coverage is irrevocable for your current and any successive terms in office.

- No PERA Plan – I choose to not exercise my right to join a PERA plan at this time. I understand that I must pay Social Security taxes unless I am an elected sheriff who is a retired member of the Police and Fire Plan.

**Note:** PERA membership may, depending upon income, lower or eliminate the tax deductibility of contributions to an IRA.

<table>
<thead>
<tr>
<th>Signature of Elected/Appointed Official</th>
<th>Date</th>
</tr>
</thead>
</table>

If you have chosen to join PERA, provide your mailing address and date of birth for identification and mailing purposes.

<table>
<thead>
<tr>
<th>Mailing Address (include city, state, and zip code)</th>
<th>Date of Birth</th>
</tr>
</thead>
</table>

Data collected on this form will be used by PERA for identification and documentation purposes and needed to create a PERA member account. The individual's Soc. Sec. No., birth date and address are classified as private and will not be shared with an unauthorized person without written consent.

National Association of Conservation Districts

NACD News
Fiscal Year 2019, Quarter 4

NACD is member-driven. A substantial portion of our budget comes from your membership dues.

Here are just a few examples of how NACD puts your dues to work.

Representing district priorities at the federal level
NACD is your voice for conservation. NACD encourages ALL conservation districts and state associations to invite elected officials to visit field offices and projects sites. Visit NACD’s Grassroots Advocacy webpage for NACD’s August Recess Guide to Grassroots Engagement and more.

Improving services for districts
This summer, NACD will host a series of listening sessions across the country. Sessions provide an overview of NACD’s current services, followed by a discussion with members on NACD’s programs and activities. Members provide direct feedback and guidance on how we can improve as your national voice. For more information or to RSVP, visit NACD’s Listening Sessions event page. Hope to see you there!

Securing funds for conservation programs and districts
Technical Assistance Grants – NACD secured a second round of grants with the Natural Resources Conservation Service (NRCS), putting nearly $10 million in the hands of conservation districts. NACD approved funding for conservation districts in 47 states and two territories, including eight tribal conservation district awards and three new states receiving funding: South Dakota, New Hampshire and Utah.

Urban Agriculture Conservation Grants Initiative – In February, NACD, in partnership with NRCS, announced the latest Urban Agriculture Conservation Grantees. NACD and NRCS have awarded over $4 million to 81 conservation districts across 34 states. Visit NACD’s website to learn more about current and past projects, including future partnerships, outcomes and lessons learned.

Providing training and resources to help districts achieve their missions
Conservation Planning Boot Camp – Through an agreement with NRCS, NACD coordinates district employee participation in the agency’s Conservation Planning Boot Camp. The three-week training course uses classroom and field experiences to enhance our members’ abilities to help landowners conserve and improve natural resources. NACD reimburses district employees for ALL training expenses. Visit NACD’s website for dates and eligibility.

NACD • 509 Capitol Ct, NE • Washington, DC 20002 • (202) 547-6223 • www.nacdnet.org
Stewardship and Education Materials – For more than 50 years, NACD has sponsored a national program to encourage natural resource stewardship. NACD’s 2020 Stewardship Week theme will celebrate “Where Would We BEE Without Pollinators?” NACD will celebrate the 65th annual Stewardship Week from April 26 to May 3, 2020. FREE education and stewardship materials will be available at NACD’s Marketplace and NACD’s Stewardship Week webpage in the coming months.

Members Only Website – Your membership dues support the development of a variety of support materials. Your NACD membership grants access to materials in the “Members Only” section of the website. Topics range from media training and personnel management to conflict resolution, increasing board diversity and program evaluation. The “Members Only” section also features promotional materials for districts, including brochures, handouts and videos describing the purpose and work of conservation districts.

Be sure to sign up for NACD’s electronic publications and follow us on Facebook and Twitter to stay up to date! Thank you for all you do to get conservation on the ground. We are proud to be the nation’s voice for conservation and appreciate your continued support.

Sincerely,

Ian Cunningham, NACD Secretary-Treasurer

Todd SWCD:
To do even greater things this year on your behalf, we need every conservation district’s support.

We have already reached 77% of our national goal.

Please contribute today!

Together, we will reach our FY19 goal.
A Big Thank You to Districts that Paid their Membership Dues Last Year!

**Illinois, Iowa, Michigan, Minnesota, Wisconsin**

**Conserving Natural Resources for Our Future!**

### Platinum Level Members ($3,001+)
- Stearns County SWCD

### Diamond Level Members ($1,776-$3,000)
- Blue Earth SWCD
- Minnesota Association of SWCD
- Pipestone SWCD

### Gold Level Members ($775-$1,775)
- Adair SWCD
- Appanoose County SWCD
- Association of Illinois SWCD

NACD News
Fiscal Year 2019, Quarter 4

NACD is member-driven. A substantial portion of our budget comes from your membership dues.

Here are just a few examples of how NACD puts your dues to work.

Representing district priorities at the federal level
NACD is your voice for conservation. NACD encourages ALL conservation districts and state associations to invite elected officials to visit field offices and projects sites. Visit NACD’s Grassroots Advocacy webpage for NACD’s August Recess Guide to Grassroots Engagement and more.

Improving services for districts
This summer, NACD will host a series of listening sessions across the country. Sessions provide an overview of NACD’s current services, followed by a discussion with members on NACD’s programs and activities. Members provide direct feedback and guidance on how we can improve as your national voice. For more information or to RSVP, visit NACD’s Listening Sessions event page. Hope to see you there!

Securing funds for conservation programs and districts
Technical Assistance Grants – NACD secured a second round of grants with the Natural Resources Conservation Service (NRCS), putting nearly $10 million in the hands of conservation districts. NACD approved funding for conservation districts in 47 states and two territories, including eight tribal conservation district awards and three new states receiving funding: South Dakota, New Hampshire and Utah.

Urban Agriculture Conservation Grants Initiative – In February, NACD, in partnership with NRCS, announced the latest Urban Agriculture Conservation Grantees. NACD and NRCS have awarded over $4 million to 81 conservation districts across 34 states. Visit NACD’s website to learn more about current and past projects, including future partnerships, outcomes and lessons learned.

Providing training and resources to help districts achieve their missions
Conservation Planning Boot Camp – Through an agreement with NRCS, NACD coordinates district employee participation in the agency’s Conservation Planning Boot Camp. The three-week training course uses classroom and field experiences to enhance our members’ abilities to help landowners conserve and improve natural resources. NACD reimburses district employees for ALL training expenses. Visit NACD’s website for dates and eligibility.
**Stewardship and Education Materials** - For more than 50 years, NACD has sponsored a national program to encourage natural resource stewardship. NACD’s 2020 Stewardship Week theme will celebrate “Where Would We BEE Without Pollinators?” NACD will celebrate the 65th annual Stewardship Week from April 26 to May 3, 2020. FREE education and stewardship materials will be available at NACD’s Marketplace and NACD’s Stewardship Week webpage in the coming months.

**Members Only Website** – Your membership dues support the development of a variety of support materials. Your NACD membership grants access to materials in the “Members Only” section of the website. Topics range from media training and personnel management to conflict resolution, increasing board diversity and program evaluation. The “Members Only” section also features promotional materials for districts, including brochures, handouts and videos describing the purpose and work of conservation districts.

Be sure to sign up for NACD’s electronic publications and follow us on Facebook and Twitter to stay up to date! Thank you for all you do to get conservation on the ground. We are proud to be the nation’s voice for conservation and appreciate your continued support.

Sincerely,

Ian Cunningham, NACD Secretary-Treasurer
