COVID Testing in Todd County

As of April 30, 2020, Todd County has 7 lab confirmed cases of coronavirus (COVID-19). Local transmission of the virus is occurring.

Due to an increase in available testing, our local health care systems are able to provide COVID-19 testing for those who have symptoms of COVID-19. People with these symptoms or combinations of symptoms may have COVID-19:

- Cough
- Shortness of breath or difficulty breathing

Or at least two of the following:

- Fever
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- New loss of taste or smell

Appointments are required at all health systems and must be scheduled in advance. Please do not show up at your healthcare system without an appointment to get tested for COVID.
