civilian masks, surgical masks, n95 masks, and isolation gowns	Henan Haiwang Medical Instrument Company	Timothy Hutter	941-666-3132	pennhutter2009@live.com	My name is Timothy Hutter and I work for a mask production company in China (Henan Haiwang Medical Instrument Company). We produce civilian masks, surgical masks, n95 masks, and isolation gowns. I have attached some pictures of our products as well as the company rights. We have a small amount available to donate immediately. We are also ramping up production and would be able to sell our products at cost in the very near future. Given the time difference, reaching me via email is the safest bet.
digital thermometers, face masks (several sizes/styles), hand sanitizer and sanitizing wipes	Empire Managed Solutions	Sierra Fisher	(717)437.1322	sfisher@ehotelgroup.com	Empire Managed Solutions also supplies medical products related to the Covid - 19 virus outbreak. Products we are currently supplying include: digital thermometers, face masks (several sizes/styles), hand sanitizer and sanitizing wipes. Please contact us if you are in need of these products and we will provide further details for all items. There are other related products available as well, so please let us know if there are additional items you are currently in need of.
Gowns, Privacy curtains, scrubs	Anderson Fabrics	Annie Peterson	(218) 553-2230	APeterson@andersonfabrics.com	As I spoke on Friday at the meeting, Anderson Fabrics has the capacity to assist in PPEs, scrubs, patient gowns, privacy curtains, etc. I have copied Annie Peterson (218) 553-2230 and Diane Kovall (218) 553-2409 in this message for you both to reach out to, as I am the Director of Human Resources and they will be able to get things moving. Thank you for all your hard work. Should you need any other information, please feel free to email me or call me at (218) 553-2419.
KN95	BO Trading Partners, LLC	Barak Hayut	404-664-2944	me@barakhayut.com	
KN95	Dream Duffel LLC	Bob Johnson	612-802-2933	bob@dreamduffel.com	We just received information from our manufacturing facility in China that they have access to a source for KN95 masks. Limited quantities <10,000 are available immediately and quantities up to 500,000 available in 10 days. Masks are claimed to comply with ISO standards
Masks	Go Athletic Apparel	Hannah Anderson	917-749-9975	Ande1976@yahoo.com	My name is Hannah and I work for Go Athletic Apparel. We manufacture right here in Minneapolis, both cut and sew with our facility in Bloomington with 50 sewing machines. We currently have 1000 masks on hand and have the capacity for higher volume. We have 2 layer masks with cotton on the outside and a choice of liners including HEPA and cotton, among others. Our price is just \$5/mask and comes in standard adult size and children's size which have a fun print.
Masks	Legion Events, INC	Steve Port	612-567-0698	steve@legionevents.com	I do importing from China/Taiwan as part of my business and have an employee who works to facilitate these things. He was looking to find surgical masks for another of his friends to import and we stumbled onto the possibility to import Covid-19 tests from China. I am working on vetting the factory right now, but knowing that tests are basically non-existent in MN right now, was talking to my wife who is a friend of Alice and a bunch of other legislators and they said I should ask here what sort of regulations are needed.
Masks, ventilator parts	Donaldson Company, Inc	Tod Carpenter	952-887-3267	Tod.Carpenter@donaldson.com	I have ordered 5000 N95 masks from each of the suppliers, total 15,000 and 100 suits from the one supplier. They will be flown to our corp headquarters in Bloomington. This will allow us to ensure the quality is proper prior to ordering large quantities. Also, Donaldson Company makes medical filters that may help
Masks, ventilator parts	Donaldson Company, Inc	Tod Carpenter	952-887-3267	Tod.Carpenter@donaldson.com	I have ordered 5000 N95 masks from each of the suppliers, total 15,000 and 100 suits from the one supplier. They will be flown to our corp headquarters in Bloomington. This will allow us to ensure the quality is proper prior to ordering large quantities. Also, Donaldson Company makes medical filters that may help
Medical Garb	Kelle Company	Steve Simmons	612-269-0737	tevesim@kellecompany.com	My name is Steve Simmons with Kelle Company LLC, an apparel manufacturing company located in New Hope, MN. We manufacture dance costumes that are sold to schools, colleges, dance studios, etc. throughout the US, Canada, Australia, etc... Since all of these types of institutions have been ordered to close, we currently have very little to make. We have high tech equipment in New Hope that could easily be switched over to the manufacture of items such as medical gowns, face masks(not N95 masks), scrubs and perhaps other items. Our production capacity could be significant since we have high-tech automated systems and both internal and external sewing operations. If you are interested in partnering with us and let us know what you need, we would be happy to build prototypes to submit for your review. Although we have already created some basic masks and gowns, it would be helpful if there was an approved template for their construction, including acceptable materials, assembly instructions, etc... Please let me know how Kelle Company can help produce goods to assist in this fight against COVID-19. If you are not the right people to work with on this, please provide any contact information you may have so we can get started on this.
Medical Supplies	Unknown	Hongyi Lan	UNK	lanhongyi@gmail.com	I am reaching out to see whether MN is in need of any medical supplies during the outbreak of coronavirus. Members of local Chinese American community have contacts in China and want to help. We would like to have a list of medical supplies that the State of Minnesota would need and a point of contact so we can start working collectively to help/donate.
Medical Supplies	Minnesota Dental Association	Majda Hodzic	612-767-8400 or 612-767-4256	mhodzic@mndental.org	My name is Majda and I work for the Minnesota Dental Association, we asked our members to donate supplies that might be used by our medical colleagues. We have had a few clinics respond and I am wondering if there is an address that we can ship the supplies to as a shelter in place is coming our way?
N95	Unk	Brandon Cohn	203.962.1610	Brandon.L.Cohn@gmail.com	My name is Brandon Cohn; I'm an entrepreneur living in New York City. My factory in China produces N-95 Masks. Attached are documentations for FDA approval, CE, and testing reports. I'd like to distribute these masks to all medical centers and companies that need them. Please let me know if you are interested in connecting on this.
N95	Apadana, LLC	David Fritz	563.340.0534	David.fritz@apadanatech.com	The items Andy state he has available at this moment: The pricing quoted below is to purchase 5K or more. KN 95 -\$2.99 N95 - \$3.75, Surgical Masks - \$1.50 Mask Shields - I didn't catch that quote
N95	None	David Will	218-288-1778	docentrep@gmail.com	I was told by the health department to drop you guys a line. I have access to large quantities of N-95 Face masks. They are \$4.00 each with a minimum order of 100,000. These are all brand new top quality masks. And can be sent out very quickly.
N95	Production Robots	Jordan Cooper	c: 301-655-0040 o: 510.777.0375	jordan@productionrobotics.com	attaching a quote that outlines the quantities, lead times, and pricing schedule for manufacturing and shipping N95 surgical masks, which are recommended for protection against COVID-19. I am aware that Minnesota is facing severe shortages of these surgical masks and, with 30 years experience manufacturing medical devices, we are well positioned to manufacture these domestically and ship them to Minnesota.
N95	Safe House Project	Kristi Wells	202.596.2073	Kristi@SafeHouseProject.org	I am working with a SDVOSB who has secured 3 factories that can produce 2 million certified, FDA, NIOSH n95 masks per day with delivery in the states contract + 7 days. Additionally they have established procurement through third party escrow to ensure government dollars are protected and products delivered (there should be no deals considered for your state that require 100% up front).
N95	The Starr Design Group, Inc.	Mike Northrop	612-819-4133	mnorthrop@thestarrdesigngroup.com	I have the ability to produce 300,000 masks per day and will air freight the masks into Minneapolis for you.
N95 Masks	Grace Distribution	Jeff Halverson	651-503-5994	jwhalverson@hotmail.com	Hi there I work for Grace distribution company and we have 500,000 FDA approved N 95 masks for sale. I've been told that the state is in need and to contact you. You can reach me at this email address or my local number is 651-503-5994. Jeff Halverson
N95 Masks		Jun-Li Wang		junliwang@yahoo.com	With my brother who works with factories in China, we've sorted out a way to purchase N95 mask equivalents in bulk, direct shipped to the US in about a week. It's a total hack/work around in the face of US inability to get our front line workers what they need.
N95 Masks	Colored Organics	Nick Barthelomy	612-306-1444	nmb@coloredorganics.com	I have been trying to get ahold of someone regarding your mask supply. We are a textile company based in Minneapolis that has the ability to manufacture N95 and surgical masks which are FDA and CE certified. We have the capacity to produce 100k N95 masks and 500k surgical masks per day. We are looking to help in any way we can. Please feel free to respond to this email or call me at 612.306.1444 if you are in need or have any questions.
N95 Masks	Allina Healthcare	Rob	612-747-0725	ryurko@allinahealthcare.com	This gentleman reached out to 211; he had been referred by the Governor's office. He is with Alliant Health Care and has 'a lot' of N95 Masks or protective masks for sale at an affordable price
n95 masks, protective gowns	Unk	Kalie Marland	805-551-6674	kmarland@gmail.com	I'm reaching out because I work closely with a manufacturer in china who is able to produce n95 masks, protective medical gowns, and ventilators. I work running a small biotechnology company in California that produces pH monitors for industrial bioreactors. My friend an alumni from UC Davis went back to china and owns several manufacturing facilities in various industries with his family. Currently they own a factory that produces n95 masks and gowns, and have contracts in place with ventilator manufacturers in China. We are trying to get medical supplies to the US to meet the demand that's out there.
N95, hand sanitizer	Health Merch	Benjamin Sherman	212-203-9209	benjamin@healthmerch.com	Over the last six weeks, we've responded to the COVID-19 crisis by activating our worldwide supply chain to provide our customers with a range of supplies like hand sanitizer, masks (N95 and 3 layer), and many other health items. We are sourcing these products daily in large quantities for public health emergency response teams. Do you need any assistance?

**This is just a list of vendors. The have NOT been vetted.**

Item	Business Name	Contact Name	Phone	Email	Description
N95, other masks	SHYLD Academy	Tyler Olson	651-603-4567	tolson@shyld.academy	I learned this week that one of my board members has the ability to ship in 1 million N95 masks to MN per week. Who should he be talking to to buy those and get those properly distributed?
N95, respirators, hospital beds	Unknown	Nick DePhillipo	none	nickd.atc@gmail.com	I am in contact right now with a manufacturer who has access to both N95 and disposable respirators as well as hospital beds. They have informed me the costs per are \$1.20 for surgical masks and \$3.08 for N95 respirators. They are also able to lease hospital beds for dollars per day if needed.
N95, Surgical masks	Advantage Emblem	Nathan Bentley	218-591-4050 (cell)	none	I'm not sure if the state is purchasing equipment, but Nathan had these available for order today. About 7-10 delivery. Prices are most likely going up daily.
N95, Surgical masks, masks,gowns g	Zilingo	Narissa Limpanathon	66 62.296.5911 (?)	ppe@zilingo.com.	Whilst Zilingo's core focus is usually on connecting the B2B apparel supply chain, in response to the COVID-19 pandemic we are leveraging our network and experience to help establish a supply base of personal protective equipment We're focused on prioritizing Medical Facilities and Government to ensure those who are most in need are able to get protection quickly. Because of our network, we're able to control margins and deal directly with suppliers ensuring fair pricing and certified products.
N95,KN95,Sanitizer	IMC out of Minnetonka	Shane Erickson	612-865-4624	shane@imcsuccess.com	One of my contacts has been importing products from China to Minnesota for "decades". The factories he has been partnering with have FDA, CE, and NIOSH certified facilities capable of producing 1+ million per week of:-KN95-N95-Sanitizer-Face Shields
Other PPE	Primex Plastics	Liz Medaris	765-935-2990 x1312	emedaris@primexplastics.com	Primex Plastics is already making two different kinds of Personal Protective Equipment (PPE) that will greatly enhance our health care workers the ability to protect their staff during the ongoing COVID-19 crisis. We have had a number of success stories with numerous of health organizations that were in need for PPE's.
Other PPE, Masks	2cens Medical Supplies	Adam Somer	516.680.4470	adam@2cens.com	2Cens Health, a Manufacturer, Importer and Exporter of FDA approved, health related items, has many of the supplies you seek for your City.
PPE	None	Heidi Orstad, DNP, RN, PhD	612-70901841	horstad@icloud.com	My name is Heidi Orstad. I received an email message from my husband's cousin in Norway, Rune Byremo via LinkedIn. He said that he was contacted by a PPE distributor out of China and emailed me the information about the products. While the information seems legitimate, I wanted to send the information your way to validate.
PPE	Unknown	Jeffrey Fishbien	Unk	jfshbein30@gmail.com	Jeff has a very close associate in China who works on solar energy with him. Due to the increasing demands for protective equipment, they immediately converted their production line so that they are able to mass produce all forms of PPE.
PPE	Johnston and Stewart	Lori Riad	(813) 345-4104	lori@johnstonstewart.com	Our office has access to suppliers with PPE inventory available for purchase. Please let us know if you are in need of any supplies, which specific supplies you could use, and the quantities of each. We will immediately reach out to the suppliers and, if inventory is available, we will put you in touch with them right away.
PPE	The Sales Group, Inc.	Kerry O'Connell	406-930-2849	Kerry@thesalesgroup.com	Checking back to see if you need a quote for PPE. I continue to hear how states are having a terrible time with fly-by-night businesses who don't hold up to scrutiny. If you would like, I could send information on our company to ensure you we have been a legitimate player in the medical field for the past 35 years. We are based in Atlanta, Georgia and have done business around the world.
PPE Goggles	Liberty Sport	Anthony P DiChiara	908-601-6791		We manufacture REC SPECS high performance, REUSABLE PPE Goggles & Glasses for Healthcare Professionals. After shipping 20,000 units to the Office of Emergency Services in IL, we now have approximately 25,000 units remaining inventory ready for immediate shipment from our warehouse in New Jersey. These are reusable PPE Eyewear that are designed for endurance. Rec Specs retail for ~\$250. We are working to allocate available inventory to the States with the greatest immediate need. We have 5,000-25,000 units available for your immediate needs at \$44.95 each.
PPE Masks	None	Randy Willis	None	rwillis@mnssheriffs.org	- Our friend Representative Nash from Carver County and Carver County Sheriff Jason Kamerud are working with a manufacturing facility in Carver, Lakeview Industries, who have the interest and capacity to manufacture PPE masks like the one in the picture for LE / first responders. They can manufacture about a million per week. Right now, they are looking to tool up and manufacture the first run and asked Sheriff Kamerud to gauge need/interest from the 87 sheriffs. These would be free or priced at a portion of production costs for us (\$1-2 each).
PPE, N95 masks	Pride Bites	Steven Blustein	818-533-8772	Steven@pridebites.com	We are a converted PPE importer after we learned of the hardship of medical workers throughout the country! We have a full team overseas and have manufactured and imported millions of product to date. We are full equipped to handle large volumes of PPE products being sourced direct from the factory and screened direct by our team.
Surgical Masks	Ennis Fabrics	Gary Thielen	320 493 7202	ennisfabrics.com	My company apparently has access to millions of these disposable surgical masks for sale over the coming months. Reasonable prices, we are a reputable company just trying to help. We are currently providing many of our customers with the raw material for sewing PPE.
N95	Jones Day law firm	Donna Cassutt	651-262-7169 (cell)	Donna.Cassutt@ag.state.mn.us	Courtney Snyder and Tony Dias, both copied here, of the Jones Day law firm reached out the Office of the Attorney General regarding a COVID-19-related donation. Their client, Sherwin Williams, has generously pulled 5,095 much-needed N95 masks from their stores, to donate to Minnesota. We are greatly appreciative. Please let us know where they should be delivered.
N95 other masks	Apparel Sourcing Group (ASG)	Josh Jackson	(336) 689-3842	josh@apparelsourcinggroup.com	My name is Josh Jackson, and I am the Director of Business Development for Apparel Sourcing Group (ASG). ASG has been a leader in global sourcing and fulfillment for the past five years. Although our experience is in manufacturing clothing, our factories have transitioned to produce KN95 masks, surgical masks, and other forms of personal protective equipment during this time of need.
N95 and other masks	inoventyx	Priscilla and Frederic Perinovic	Priscilla-305-788-6442 Frederic-786-245-5045	priscilla@inoventyx.com	We are emailing you because we would love to have the opportunity to propose to you our Masks- N95, KN95, 3ply, and FFP2. Along with a variety of all sizes of hand sanitizers.
Face Shields	Fey Industries	Norm Fey	None	normfey@gmail.com	Our company is making face shields for Health Care Providers. The video will show you what it is. If you know of any health organization looking for this type of protection please tell them about us.
medical disposable masks, KN95 masks, Isolation Garments, Gloves, glasses,disposable gloves,Isolation Gowns	WELLSUCCEED EMBROIDERY	Ada Xia	Cell/whatsapp: +86 133 6810 4856	shirleyxia@rich-leaders.com or adaxiaembroidery@gmail.com	Now we can supply you medical disposable masks, KN95 masks, Isolation Garments, Gloves, glasses,disposable gloves,Isolation Gowns,Isolation Glasses. We hope that we can help you to defeat the virus ASAP together,price will reasonable.Please note.
Gowns	Unk	Jill Simms	612-961-2220	jsims@nmma.org	Minneapolis woman who works with a group of sewers who normally sew and embroider boat cushions, but could make hospital gowns instead. She heard Mayor Carter was interested in acquiring hospital gowns and she wants to pursue this with the city.
PPE	Gravitas Synergy Solutions	Gregg Roman	unk	gravitassynergy@gmail.com	The challenge faced by many of us in the small business community during this global pandemic is finding out how we can help fight back against COVID-19. Myself and a group of my friends have come up with an idea: A capital pool for humanitarian supply imports by small firms into the United States. This is a novel idea for those of us in the logistics field, attempting to use our networks to supply personal protective equipment to first responders, sourcing internationally, and providing locally.
N95/KN95	Try up Style	Rachael		rachael@tryupstyle.com	We have a vendor with supply (in particular N95 & KN95 masks) available, and so are reaching out to determine your greatest need with regards to PPE, budget and best route of delivery for distribution.
PPE	Generation Point	Mark H. Aspiri	(970) 618-9764	maspiri@generationpoint.com	Please contact me or have someone from the State contact me. Production lines are very tight, so time is of the essence. I have access to the following in large quantity, 3 to 7-day delivery, with a continuous daily delivery thereafter.
N95	Uprising strategies	Nick Rathod	313.505.6425	nick@uprisingstrategies.com	I have been working with a really good team of folks to try and get much needed masks into cities and states around the country in a way that is affordable (prices are half of what most states are currently paying for masks), provides the best quality (we are working with 3M) and is transparent, safe and efficient (understanding that state and local government work is fully transparent).
Face masks, N95, Test Kits	VIICA	Kevin Hieu Nguyen	None	kevin.ceo@viica.org	On behalf of Vietnamese Investment and Immigration Association, I am writing this letter to request for a cooperation with your country in the fight against the pandemic by supplying a large number of cloth face masks. We have gathered a group of Vietnamese large textile enterprises that can manufacture 500 million face masks per month. These face masks are guaranteed to meet safety requirements for people's health. Moreover, we can also provide other medical supplies as respirator masks KN95, ventilators as well as COVID-19 test kits.
N95, Testing kits	Abzlute pte. ltd	Will Gil	None	william@abzlute.com	Abzlute pte. ltd. (Singapore) is currently doing outreach on behalf of a few medical manufacturing firms within Europe and Asia-Pacific. They are currently fulfilling large orders of approved K95 Masks, COVID 19 IgM Antibody Rapid Test Kit and Corona Virus Real Time RT- PCR Assay Kits. The capabilities of fulfillment is currently at 1 million test kits every, 2 weeks and up to 500,000 K95 Masks per day. We are serving as brokers seeking ways to find those interested in placing orders with these manufacturers. I am aware that you are currently working with Minnesota Department of Health and thought this might be something you would be interested in exploring
PPE	DMS Color	Brian Gregory	205 410-5840 Cell 205-874-6183 Office	BGregory@dmscolor.com	I'm contacting you from DMS Color in Birmingham AL. We are an FDA approved vendor for many PPE items needed during these times. I would be happy to discuss further and I will also get on your online system to register as a possible vendor.

This is just a list of vendors. They have NOT been vetted.					
Item	Business Name	Contact Name	Phone	Email	Description
PPE	Ameritek International, Inc.	Paul Johnston	t: 651-688-9700	pjohnston@ameritekinternational.com	We know that PPE Masks are in critical shortages. We have a factory in China that can supply PPE Masks that have a FDA certification. We will procure a sample for authentication, however, we would ask the State for guidance as to what certification facility would meet State standards or requirements. We are eager to lend our expertise in securing these masks
PPE	Gentox Medical Services	Valentine Awasom	Cell: 763-245-9191	vawasom@gentoxmedicalservices.com	I hope you are well and staying safe in light of COVID-19. My name is Valentine, and I am the MN medical sales representative for Gentox Medical Services. We have PPE supplies immediately available for bulk order, including N95 masks, surgical gowns, gloves, face shields, ventilators and COVID-19 test kits. Attached is a list of relevant supplies, equipment, and other products, which we hope to efficiently provide to the medical community in Minnesota and across the nation.
PPE	H3 Inc.	Guy Haaland	507-402-4410	Guy@H3LLC.COM	Hi, I have several contacts overseas of face masks. Please let me know if you need masks and what is the requirements for FDA certified masks and are you also need disposable or surgical masks for general public.
PPE, clinic equipment, tests	Gentox Medical Services	Valentine Awasom	Cell: 763-245-9191	vawasom@gentoxmedicalservices.com	Gentox Medical Services LLC is a national distribution company or medical equipment. Supplying hospitals, clinics, universities and other medical facilities with needed medical devices, supplies, testing and other clinical services. Such as imaging equipment (X-Rays, Ultrasounds, C-Arms, etc.), Services (Biohazard Waste Disposal, EHR Software, Chronic Care Management, Billing, etc.), Laboratory Services (Skin Grafting, PCR Testing, ENFD Testing, Pharmacogenetics, etc.) and finally PPE (Masks, Gowns, Gloves, Face Shields, Sanitizer, etc).
PPE	Suuchi Inc	Dave Schneider	p: (551) 800-5950 973-567-2618	davidschneider@suuchi.com	I represent Suuchi Inc., a manufacturer with the ability to make PPE items at scale quickly. We have a network of factories manufacturing N95/KN95 Protective masks, Gowns, ASTM Level 1 Surgical Masks, Medical Protective Goggles, Latex disposable gloves, Disposable coveralls, and a variety of other PPE items. Currently, lead times are between 10 – 20 days for delivery. I have attached our most recent pricing.
PPE	TP Steam Gear	Mike Ciccone	None	mikec@tpsteamear.com	Thank you for getting back, here are some commonly asked for items that we have been able to provide, attached is a list with a price and quantity breakdown for most of the products. If there is any other information you need please let us know.
PPE	AMKA GLOBAL	Bocar Kane	Tel: 952 495 4492	Bocar@amkaglobal.us	We just received your contact from Minnesota PTAC Manager. We would like to follow up with you on what we have available as PPE goes. Would you please direct us to who would be the correct contacts for these products? We are including a list of some items we would provide. We also have access to bigger quantities upon request.
PPE	TRIINK LLC	Joseph Caughy	UNK	JCAUGHEY001@CSBSIU.EDU	I am the founder of a Minnesota based company called TRIINK LLC. We manufacture our products in the Guangdong province. Our manufacture has been in close contact with us throughout the past few months as the Covid19 situation has developed. They have built a new facility on their property to meet the new needs of 3 layer surgical masks and N95 masks. They went into full production last week of 3 layer surgical masks producing 1 million units a day and will be adding N95 masks to their production capabilities in the next week. I received a quote (screenshot of this is attached) from them and can order up to 1.5 Million 3 layer masks per order to be fill immediately. If I can help facilitate a relationship between the state and my manufacture I would love to help.
Face Shields	Woodchuck USA	Benjamin VandenWymel	833-828-4980	sales@woodchuckusa.com	Two weeks ago, WOODCHUCK USA (Typically a custom wood corporate gifting company) decided to shift its production to making the much needed face shields as PPE. Our team has worked 24/7 since making that decision to scale our operation up to 4 separate facilities, employing over 450 individuals. We are now making millions of these shields per week.
KN95	Essential Health	John Stanley	UNK	JOHN.STANLEY@EssentialHealth.org	Sanitation Mask Manufacturing
PPE	State of Mind Naturals	Matt Doherty	214-532-1876	hattiedoeherty@gmail.com	I have access to PPE from reliable sources. There are a lot of fraudulent products in the market. We have private planes flying back and forth from China. These products are FDA approved. The market is volatile so prices and inventory can change rapidly. Shipping not included.
PPE	Modern Plastics	Joseph Amarante	P (203) 333-3128 X 232 C (203) 654-6012	jamarante@modernplastics.com	Modern Plastics is in the process of manufacturing millions of Infection Control Face Shields to help combat the spread of Covid-19 & protect Health Care Workers. We are currently supplying the State of CT, NJ, MD ETC. We want to help protect your state Health Care Workers! Please review the attached brochure and if possible forward to anyone at your hospitals ETC that may be in need of Infection Control Shields & PPE equipment. Attached is information on Modern Plastics and our Face Shields.
PPE	Genesee/ Flystuff	Jordan Braaten	Direct: 800.789.5550 x 2048	jbraaten@geneseesci.com	My name is Jordan Braaten and I am the local Genesee/ Flystuff rep for Minnesota. Besides the Drosophila products you are hopefully familiar with, we carry our own products as well as Eppendorf, Beckman, Zymo, Ohaus, Analytik Jena, Gilson, etc. These are trying times and we all have an opportunity to help in our way and I feel lucky if I can help in anyway. If I can help alleviate any burden from your day and get you back home with loved ones faster that is my goal.
PPE	Apparel Sourcing Group (ASG)	Alex Viscusi	1972 822-8012	alex@apparelsourcinggroup.com	My name is Alex Viscusi, and I am the Director of Sales for Apparel Sourcing Group (ASG). ASG has been a leader in global sourcing and fulfillment for the past five years. Although our experience is in manufacturing clothing, our factories have transitioned to produce KN95 masks, surgical masks, and other forms of personal protective equipment during this time of need.
PPE	Home Depot	Karen Kapsner	763-717-0316	KAREN_K_KAPSNER@homedepot.com	I am emailing from Home Depot, 4550 Pheasant Ridge Dr, Blaine. I have product to donate under 500 pieces and would like to donate today if possible. Can you advise where it should be taken to?
PPE	Unk	Andre Dupre	None	a1duprenip@gmail.com	Are there guidelines for what and how to donate? Also, is there information about how/where it will be distributed?
PPE	ELF Technology, LLC.	James Rickson	(715) 222 - 4187	JIM@ELTechnologyllc.com	Here is what we have to offer (see attached). I have a call today at 1:30 regarding the ventilators, after which I'll know more. In the interim, you'll see we have protective clothing, masks, coveralls, shields, hand sanitizer, gloves etc. All are priced by the piece (replaced every week) and minimum quantities noted. We also have a \$250 million interim financing fund that will pay the manufacturer, and collect on a Purchase Order once you have received the merchandise, performed an inventory and confirmed it comports with the order you placed. This service runs from 3-10%, or the gross order amount, depending on the size of the order and some other related parameters.
PPE	Gentox Medical Services	Valentine Awasom	763-245-9191	vawasom@gentoxmedicalservices.com	I hope you are well and staying safe in light of COVID-19. My name is Valentine, and I am the MN medical sales representative for Gentox Medical Services. We have PPE supplies immediately available for bulk order, including N95 masks, surgical gowns, gloves, face shields, ventilators, Reagent Kit, and COVID-19 test kits. Attached is a list of relevant supplies, equipment, and other products, which we hope to efficiently provide to the medical community in Minnesota and across the nation.
Face Shields	Metro Health & Medical Preparedness Coalition:	Ted J Filipowicz	Office: 800-432-7839 Cell: 678-428-9950	d65@storesupportgroup.com	I have attached an informational flier showing our product and current pricing.
PPE	308 SYSTEMS	Mark Lueker	970-282-7006	mlueker@308systems.com	308 SYSTEMS has historically developed flyaway kit communication systems for deployed government teams. In this crisis, we leveraged our supply chain to obtain KN95 PPE masks from FDA registered facilities, and are making this stockpile of superior quality PPE masks available to the Country at a significant discount - as indicated in the attached line card.
PPE	MILLMANSEARCH GROUP	Mark Millman	T 410.902.6600 x20 M 443.255.3000	MMillman@millmansearch.com	Just a little background...My son Ryan Millman CEO of Nations Photo Lab (Hunt Valley, MD) - has retooled his manufacturing plant to make Face Shields on site and has made the critical connections to get the below mentioned supplies from China. We have filled orders for Baltimore County, Baltimore City, State Police in Maryland, LifeBridge Health, Mercy Medical Center and currently working with Johns Hopkins! Currently there is NO maximum limit to the number of each that can be ordered. Please note...I am just wearing a different hat during this challenging time. Please look us up on LinkedIn and the web for validity of who were are! My role will simply be to take the order and expedite it through. You will receive an actual Invoice generated directly from Nations Photo Lab.
PPE	Unk	Unk	Unk	sales08@flight-cargos.com	Do you need Face Masks and Disposable Gloves? Not sure if you can buy them from US. If you want to buy from China, we can ship for you.
PPE	RIP CLEAR	Jake Quellman	(917) 881-3066	Jake@Ripclear.com	I would like to connect with leadership to determine interest to procure PPE Face Shields for the state of Minnesota.
PPE	Rx2Live Minnesota	Sonja Zimmerman	612.504.9430	szimmerman@rx2live.com	Good afternoon Jan - I wanted to reach out to you and share the availability of PPE supplies that our company has access to for immediate distribution. I've been busy reaching out to healthcare clinics and senior care facilities but I wanted you to have the information as well.
Gloves	EURONITRILE	Daan Lamens	None	michiel@euronitrile.com	We are a R&D-company from The Netherlands closely connected to Technical University of Delft in our development of sustainable/circular nitrile examination gloves. One of our partners within the process of development is one of the largest nitrile glove companies in Malaysia. From that position we are able to order and supply nitrile medical gloves in large quantities. We fulfil this role for Dutch hospitals already.
PPE	YHS Trading	Dylan Tusinac	Direct: +1 201 460 3377 Mobile: +1 908 655 5432	dylan.tusinac@cushwake.com	As COVID-19 continues to spread throughout our communities, I have partnered with YHS Trading based in Florida to assist corporations in need of PPE equipment. I am reaching out to assist you and your team during this pandemic. Please see attached Master Supply List for pricing, production capabilities and package details. I can provide certification and documentation once we further understand your needs.

**This is just a list of vendors. They have NOT been vetted.**

Item	Business Name	Contact Name	Phone	Email	Description
PPE	Pay Load Group	Michael Walters	UNK	michaelwalters@payloadgroup.com	Access to large volumes of PPE
PPE	UNK	DJ	(202)486-3700	dj@djskelton.com	Attached are two decks on two products: KN95 and a single use mask. I don't know how long China will allow factories to do these B2B sales, but allowing for now but only for orgs/hospitals in need in need in the world. Let me know and I will connect you to direct sales/leadership (you can connect direct on phone to discuss in detail, if needed).
PPE	Rocker Bye Baby	Amber Zrust	UNK	rockerbyebaby@gmail.com	I don't really know who to contact but keep seeing all these articles about masks. I run a fabric design business and have a printer in China and they said I have access to buying certified N95 masks. I can't donate them myself but if we could raise the funds or find a donor it is \$3 a mask (certified N95 with a 6,000 piece minimum it would be less if we did. 2 million) so I have access to them and can order and distribute in Minneapolis, MN/Twin Cities and I have another friend trying to do the same in Chicago. I just have nowhere to begin in finding out how to get the funds to purchase them. My husband is a teacher at Andover High School and I work from home so we could safely and quickly deliver once they're in (about a week) Minimum we would need \$18k to hit the first quantity. I want to help with the shortage I'm just not sure the next step. We need donations and someone to set up a PayPal or Facebook drive. I'm sure if we explained to people just \$3 buys a mask and if the news got behind it we could get thousands ordered. But again, I'm just one person and have no idea how to get those funds fast to donate on my own. Please let me know if I can help in some way or send me info of someone who can. We can get mass quantities of these masks to donate it just seems like there is a ton of red tape preventing hospitals from doing it themselves.
PPE	Bedford Industries	JAY MILBRANDT	1.507.376.4136 1.877.BEDFORD (233.3673)	jmilbrandt@bedford.com	Last night, I saw a news clip about how hospitals are resorting to sewing their own facemasks and shields out of office supplies due to shortage of these products. This morning, we gathered our R&D team and gave them the mandate of using our current processes develop a facemask by end of day. We finished the day with two products. The first is a disposable "face mask cover" that looks like a face mask but is placed over the top of the N95 facemask to allow the N95 to be used multiple times. Our understanding is that hospitals are covering their N95 masks with surgical masks to get multiple uses, but now running out of the surgical masks. Thus, resorting to office supplies and scarves. Our face mask cover would not substitute as a surgical facemask, though with access to the right ASTM materials, we believe that would be a logical future step.
PPE	FRITZFINN	Mike Nathan, MBA	Office: (888) 570-9955 Cell: (651) 214-7473	mnathan@fritzfinn.com	I have a resource for procuring medical supplies that are in high demand. Attached is the product description, production capabilities, current stockpile, and time to ship (air freight 2-4 days from deposit). The factory's terms are 50% down and 50% upon delivery.
PPE	Clothier Design Source	Alyssa	651-225-8025	alysa@mlc-clothier.com	Clothier Design Source is located in Minneapolis/St. Paul MN USA. They are a semi-automated cut and sew textile factory. They are WBE (women business enterprise) certified facility that can produce up to 4,000 garments/units per week or 20,000 a month.
Face Shields	Teak Isle Manufacturing	Steve Carlson	407-408-0616 Cell 407-656-888 Main	scarlson@teakisle.com	My name is Steve Carlson with Teak Isle Manufacturing, we are manufacturing company in Ocoee, FL. We have developed a face shield along the guidelines put out by Johns Hopkins. We have figured out we can manufacture 4000 units per day with our staff. I have attached the flyer from Johns Hopkins with the guidelines set forth by them, along with the flyer on our shield we are able to produce along with the costs, and a Power Point on who Teak Isle is, what our main business is, and what our capabilities are.
PPE Eyewear	Rec Specs	Jon Phillips	702.739.4546	PPE@libertysport.com	Rec Specs PPE are RESUABLE protective goggles and frames.
Masks, Gowns		Ed Guzek		ed@bokerhome.com	We are supplying multiple states with PPE and we have open production capacity in the next couple weeks. If you're still looking for PPE, we can help. Attached are the spec sheets for our gown and our mask. We are FDA registered and are currently shipping the state governments of Washington, Missouri and Illinois. Please review and let me know if we can help.
KN95, other masks		Brandon Cohn	203-962-1610	brandon.l.cohn@gmail.com	We have two masks; one is a Dust Mask/Non-Surgical Disposable Mask (I believe this is what you would consider a cloth mask). The other is a KN95 mask. All information is attached, including time lines, pricing, and certifications.
KN95 Masks		Tommy Yan	917-400-1423	yan.tommy@live.com	Hope you are well and safe. By way of background, my name is Tommy Yan, and I live and work in New York City. I also have a business located in Syracuse, NY that is able to source medical supplies / PPE. My home state has been greatly impacted by COVID-19, and I want to do my part to help. I have been working with a manufacturer in China who is able to produce a significant supply of KN-95 respirators that are FDA / CE certified. This manufacturer has been a critical supplier of KN-95 masks in both China and Israel's fight against COVID-19. Attached, you will find a certification report. We are able to produce a large amount (1,000,000+) in a short period of time and transport the products into the U.S. by air. We have been vetted by several states and are currently in the process of securing a contract with a large state in the Northeast. ----- Manufacturer info: Quanzhou Yongzhan Medical Equipment Co. LTD Manufacturer location: Quanzhou, China Product description: KN-95 respirator. FDA and CE certified. Indicative pricing is as follows: • 500,000 units: \$3.00 each • 1,000,000 units: \$2.85 each • 5,000,000 units: \$2.50 each
KN95, other masks	Korekote/Valerianpartners	Tory Nichols	208-850-0661	tnichols@valerianpartners.com	We at Korekote/Valerianpartners are looking forward to a partnership with the state of Minnesota on PPE supplies. We are in search of long term relationships and we are confident that our pricing structure reflects that to you and your state. Attached is our product sheet and pricing sheet. We have conservative estimates for air/sea and import fees for the gloves and masks on each tab. All pricing is subject to a 48 hour window as it's a fluid situation. With adequate lead time we do not have any limits on the products, except for the N95 mask which is 20,000 units every four days.  We can provide references from hospitals, food manufacturing and retail at your request. We want to be your trusted source through this difficult time. We can be made available for a zoom/google call if you have any questions or concerns.

**This is just a list of vendors. They have NOT been vetted.**

Masks	Affordable ICH Solutions	Michael Thompson	412-860-1288	mike@affordableihcinstruments.com	If your state needs PPE, I recommend Michael Thompson and his company Affordable IHC Solutions. This is a reputable laboratory supply company and Michael has always exceeded my expectations. He has already delivered hundreds of thousands of masks during the COVID-19 crisis and is ready and able to meet the needs of Minnesota. Please see the attached quote.
N95 Masks, Gloves	Mid America Marketing	Mac Williams	612-432-3085	mac@midamericamarketinginc.com	My name is Mac Williams and I work for Mid America Marketing. We work with global manufactures and sell product to retailers around the country, primarily Target. One of our key vendor partners has access to facilities overseas who are producing varying levels of masks. Due to the low supply and high demand of masks we wanted to have a discussion with you prior to reaching out to our other channels. All of our overseas partners we are working with HAVE the required export license. Unfortunately, production is first come, first serve, so we would like to setup a call to discuss at your earliest convenience. I can be reached at 612-432-3085.
Various	Proforma ColorWheel	Scott Woodruff	612-799-5583	scott.woodruff@proforma.com	I am responding to an email yesterday 4/9/20 from Nico Bauer in the Public Engagement Dept regarding my post on the Gov't message tool regarding sourcing certain compliant PPE's. I am a semi-retired St.Paul resident that consults with clients I have established relationships with over the past 37 years. I help them with their Branding/Logo/Apparel needs. The company I source my many requested items is ProForma based in Ohio. I quick Google search will provide you all the detail required about the company. The bottom line being they are the largest and most well established, financially secure companies in the industry. With that said, they have many relationships around the world where many items are sourced. One, in particular, is an exclusive relationship with a manufacturer in China that produces the items you see in the attachment I provided. These are all 100% compliant meeting all the required standards. Lastly, there are many details that are necessary in placing an order including getting involvement from our corporate office. That is why it is imperative to talk through the details. This cannot be accomplished via back in forth emails. All my contact information is below. Please review the flyer and let me know if I can help. Many Thanks and Happy Easter!  P.S. If any other departments or entities could use these items, please forward my contact information. I would be happy to help!
N95. Gloves	Veteran Enterprises	Garth Carlson	507-384-1892	garth@veteranenterprisesltd.com	Attached is my Capabilities Statement. I have N95 masks, and protective gear on hand. I was one of the major response companies during the Avion Flu epidemic in 2015. We have the proven ability to respond and get things done. Call with questions, we are ready to move. We have a Virologist on hand, decontamination equipment, security, carpenters, electricians on hand ready to deploy.
Various	Pisces Corporation	Zaber Ahsan	880-171-501-2500	zabzzz@gmail.com	I am trying to reach out to different people with this information about the N95 masks suppliers. They also supplies all the other necessary PPE items that are all FDA approved. Hopefully this will help.They have multiple production factory and capable of producing millions of masks a week. They can ship both via air or sea freight.  I am reaching out with this information to find anyone who will find this useful. Trying to do all I can do to help and avoid hospitals and states avoid the price gouging scenario.  I can connect you with the producer directly if you would like. Below is the contact information of the supplier and also related documents that might be helpful.
Montana Mask		Andrew Bartholomaus	651-366-4728	andrew.bartholomaus@state.mn.us	I have a fairly decent 3d printer that I have been using to print out Montana masks. Is there a contact in MN that has a use for them?  <a href="https://3dprint.nih.gov/discover/montana-mask">https://3dprint.nih.gov/discover/montana-mask</a> I also background using ppe respirator equipment on the job for 8 hour shifts. I've found the design to be fairly comfortable, and work well with or without a gasket installed.  I know this is adhoc kind of stuff, and is best used when emergency needs arise.
Medical Grade Masks		Ruth Pallow		pallowinkel@gmail.com	I am reaching out to you to see if my group can help to deliver some medical grade masks with filters. They are reusable along with the help of a ultraviolet light. They cannot replace a N-95 but they are better than a cloth mask. There also is no cost.  If interested please provide me with a contact person and number and I will have the designer contact them.
Various	Gentox Medical Services	Steve Fagin	248-854-9262	TIGERFAGIN@AOL.COM	Please be advised we have several thousand PPEs available for immediate shipping. I have attached our current list of supplies along with pricing and delivery. Any inquiries will be addressed expeditiously and we guarantee the efficacy of our products. With this in mind initial inquiries can be made to me at the contact information listed below.  We look forward to serving you during this crucial time

N95 Masks	Elite Provider	Miles Clark	917-250-0068	mclark@eliteprovider.net	<p>I'm writing to follow up on interest in N95 masks and other medical supplies. We've recently learned the hard way that the Federal government is currently halting or seizing all 3M N95 masks, even from hospitals (Article1, Article 2). They are only restricting 3M products and no other manufacturers so far.</p> <p>As a best alternative, we have N95 NIOSH-Approved Masks.</p> <p>Masks are deliverable in 5 days from purchase; priced at \$4.70 / mask for 5+ million units and \$4.95 / mask for less than 5 million; and 1 million minimum.</p> <p>The manufacturer is located in Shanghai established in 1997 and a U.S. FDA SRO "Significantly Regulated Organizations" and must maintain high standards of ethical conduct.</p> <p>The product DTC3X-F was NIOSH approved in 2007 (#4472).</p> <p>The supplier is one of the top importers of medical supplies in the U.S. located in Michigan and founded by a career FDA inspector. Supplier disclosed by phone.</p> <ul style="list-style-type: none"> <li>• Manufacturer: Shanghai Dasheng Health Products Manufacture Co., Ltd.</li> <li>• Supplier: Disclosed by phone.</li> <li>• Model #: DTC3X-F (N95 Filtering Facepiece with exhalation valve)</li> <li>• Product Description: NIOSH-approved N95 Single Shift Use Particle Filtering Half Mask (see attached specification sheet)</li> <li>• NIOSH Certification: TN-14513</li> <li>• Current Location of Supplies: Shanghai, China</li> <li>• Minimum Order Volume Required: 1 million units</li> <li>• Current Volume Available for Shipment: 50 million units</li> <li>• Price Per Unit: <ul style="list-style-type: none"> <li>o \$4.70 per unit for 5 million or more</li> <li>o \$4.95 per unit for 1 to 5 million</li> </ul> </li> <li>• Freight Charges: Market rates for land shipping from port of import to destination; or FOB Michigan</li> <li>• Earliest Arrival at U.S. Destination: April 14, 2020</li> <li>• Payment Terms: 50% down and 50% on delivery</li> </ul> <p>For your review, please find attached specification sheet.</p> <p>Also available; surgical masks, hand sanitizer, medical gowns, gloves, PCR swab kits (UTMs), ventilators and adult body bags. Information upon request.</p> <p>Please note supplies and prices fluctuate daily. Feel free to contact me with any questions or to confirm quantity and pricing.</p>
Various	DPP Creative	Stephanie Wurster	847-634-9970	stephanie@dppcreative.com	<p>I am reaching out today to see if I can be of help in getting your agency a supply of PPE. Usually, my company is a promotional item distributor. We are part of an association call ASI. We have been working with hospitals, senior centers, distribution centers and the general public. We have been successful in many orders already being delivered. We are committed to customer service and only work with reputable factories overseas.</p> <p>I would be happy to help you with any needs you may have. I have attached a description of my company.</p> <p>We have access to N95, KN95, disposable masks, gowns, shoe covers, gloves and goggles. Unless you have someone that will be around infected patients, I would recommend doing the KN95 masks. These have been delivering much faster than the N95's, and we would like to save the availability of these for institutions that are working directly with infected patients.</p> <p>I do also have a smaller supply coming in to sell in small quantities, you can find this link below. If you are interested in ordering in bulk, please reach out to me direct so that I can get special pricing together.</p> <p>Order smaller quantity masks and sanitizer here: <a href="https://discountprintedpromos.commonsku.com/shop/aac2eab6-de81-47ee-99bb-eb87b537abe6">https://discountprintedpromos.commonsku.com/shop/aac2eab6-de81-47ee-99bb-eb87b537abe6</a></p>

Masks	AmVentureX	Matt Payne	507-269-0155	mpayne@amventurex.com	<p>We have contacted deviceshortages@FDA.HHS.GOV to get started on an EUA (Emergency Use Authorization) for PPE.</p> <p>The mask conforms to EN 14683:2019 and EN 149:2001. They currently do not have 510 (k) for this product, however their facility is registered. I am now waiting to hear back from the FDA to start an EUA.</p> <p>If this is of interest to your department, please contact me as soon as possible.</p>
Face Shields	Teak Isle Manufacturing	Steve Carlson	scarlson@Teakisle.com	407-408-0616	<p>My name is Steve Carlson with Teak Isle Manufacturing, we are manufacturing company in Ocoee, FL. We have developed a face shield along the guidelines put out by Johns Hopkins. We have figured out we can manufacture 4000 units per day with our staff. I have attached the flyer from Johns Hopkins with the guidelines set forth by them, along with the flyer on our shield we are able to produce along with the costs, and a Power Point on who Teak Isle is, what our main business is, and what our capabilities are.</p> <p>I am not sure if I am reaching out through the proper channels, but we are in precarious times and we have developed a product that seems to be in high demand and we want to do our part to help, and keep our people employed. We were approved by the Florida State Surgeon General and have sold 44,000 to the state so far, 6,000 to the Orlando Fire Dept, 20,000 per week to Advent Health (hospital systems), and are working with several counties in Florida and Sysco Foods here in Florida to coordinate mask sales. But the reason I am reaching out to Minnesota all the way from down here, is that is mine and my wife's home state (Forest Lake and Aurora) and we both have family back there still all over the state and if we can help out just a little we would love to do so.</p> <p>If this is correct department to reach out to that is great, I look forward to hearing back from, if not if you could put me in contact with the proper department I would greatly appreciate it.</p> <p>We are not a medical supplier, but we are a mid-size (250-employee) manufacturer in Orange County, FL (Ocoee) with the capacity to build the attached design in house. We normally make acrylic parts and various plastic parts for recreational boat builders; this is our core business.</p> <p>This design was shared with us by one of our sheet suppliers and we cannot confirm the author, but it's basic, appears to come from Johns Hopkins, and I think the photos would help determine if this is something that can help your front line.</p> <p>We have sourced the materials for the mask in the attachment, found that materials are available, and are evaluating building this now if there is demand. There would be approx. 10-day lead time for the first pieces we can make. We are asking our suppliers if there is any better lead time available for the raw materials, but this is where we're at for now.</p> <p>If you could put this in the right hands, or direct me to the proper person for your facility that would great, any help at all would be appreciated.</p>
Various	Identity International LLC	Leif Ahlgren	651-442-3208	leif.ahlgren@identity-intl.com	<p>Identity International LLC is a wellness company, based in the State of Washington, with offices throughout the US. Face Shields	Cirrus Aircraft	Pat Waddick	612-840-3235	pwaddick@cirrusaircraft.com	<p>As Lai La noted, we are in awe of the dedication and selfless service that our nation's and local healthcare community demonstrates every day. While we have paused much of our aircraft assembly operations, we avail ourselves to assist our local care colleagues in any way possible during this critical time.</p> <p>We do have a highly capable and responsive supply chain and can leverage it in many ways. The potential need for face masks recently came to our attention, perhaps there are other needs. Please advise on your situation and outlook for critical supplies that you don't have high confidence your normal supply chains can satisfy.</p> <p>Please feel free to contact me immediately to advise.</p>
Various		Jason Kaasovic	651-307-1363	jkaasovic@gmail.com	<p>I am writing briefly to share that I have access to bulk supply for FDA approved PPE equipment including KN95 masks, 3ply masks, infrared thermometers, Isolation Suits, and more.</p> <p>There may also be a limited supply of ventilators available, though that is changing quickly with such high global demand.</p> <p>I attached 2 materials lists with pricing, some certification information, and more. If you want further details on items please let me know. These lists are just from 2 of the supply sources, and I have 2 resources with additional Kn95 and 3ply mask production capacity for a total ability to produce 1M daily. One of these suppliers is willing to do smaller batch orders of 1,200 units minimum if that helps at all as well.</p>

Item	Business Name	Contact Name	Phone	Email	Description
Aggregate Masks		Rachel English	612-276-2062	rachel@transformsomatics.com	I am trying to get this information out to folks in MN that might be able to act on it and I am being sent to a couple of different places, but hopefully you are the right one. I know this sounds super crazy, but a friend of mine from college who lives in China is working to aggregate mask manufacturers in China so that they can get them out to the U.S. and other places in the world. They should have a website up in the next few days, hopefully. I have been directed to you as the central source for ordering in MN. I am attaching availability and a price list. It's a few days old at this point so I don't know what the delay is anymore, but I can put you in touch with my contact in China and she said she can check with the factories and see what's available if she knows the number needed. And I know this looks like a hoax or a scam, because why would a random person living in S. Minneapolis have a connection to get masks in China when supply chains the world over are struggling? But sometimes that's just the way this crazy world works. And it's excruciating to watch reports of shortages and the MNA doing a mask drive and knowing that there is a source for masks that no one is following up on.
Various	Iroonflat Medical	Tim Hsia		tim@iroonflat.com	I was forwarded your info by Jennifer Schoenecker and asked to send you info regarding your interest in acquiring PPE.  Our company is an FDA licensed importer and able to help, here's a real-time pricing and information sheet we have on what we can get and info about our company:  <a href="https://docs.google.com/spreadsheets/d/e/2PACX-1vRSK15fzDVZxW9gaUdHGpenqWwFQ_WilpU4phkc9Bn3xd5SkdrnKOd6is-RDWn8k8YQDUyQirZ/pubhtml?gid=0&amp;single=true">https://docs.google.com/spreadsheets/d/e/2PACX-1vRSK15fzDVZxW9gaUdHGpenqWwFQ_WilpU4phkc9Bn3xd5SkdrnKOd6is-RDWn8k8YQDUyQirZ/pubhtml?gid=0&amp;single=true</a>  Just thought I'd reach out to you as a few other EMS's have used us to get supplies during this critical time. Feel free to reach out if you have any questions and/or wish to continue with an order. Thanks!
Various	Grid2Grid	Asoka Ranaweera	202-494-5339	asoka@grid2grid.com	By way of reminder we are based in Washington D.C. in the U.S.  I have been working in Africa to help with the effort to prepare for COVID but more recently given the situation here in the states I have started to see what we can do here to supply products that are much in need.  I am working with well known Chinese companies in this regard.  To that end I would like to present for your review and consideration the following items via attachment.  1) Catalog I (Masks, coveralls and temperature guns) 2) Catalog III (Masks) 3) Covid anti body test kits 4) Ventilators  Each of the two catalogs comes from a different supplier which is why you see different prices as well as different payment terms which are listed below so that you know what the expectations are.  Given the shortages in the market prices continue to rise. Payment terms for each of them are as follows.  1) Catalog I - 60% up front and 40% prior to shipment 2) Catalog III - Payment terms 100% up front 3) Covid test kits - Payment terms 50% up front and 50% prior to shipment 4) Ventilator - Payment terms 100% up front A quick word about the ventilators.  The current price as of this morning Monday March 30th is \$37,200.00 per unit FOB China.
K95, surgical masks	Inder Tech	Kyle Huang	886-905-278283	sales@indertech.co	My name is Kyle Huang from Inder Tech. It is our great honour to write to you for potential business cooperation. I got your company info from one of my business partners in the U.S. and suggested me to try my luck with you.  We are providing masks as main products at this moment. Masks are controlled articles in Taiwan and have been restricted to export and import. Therefore, we have selected few reliable manufacturers of producing masks from mainland China as at the moment they are the only one who is capable to export this sort of medical protective supplies especially masks.  With Taiwan standard and experiences, we provide two kinds of masks: one is non-medical surgical mask with 3-layer protection and the other is KN95 mask with 4-layer protection. In addition, two different Cov-19 rapid test strips are also newly launched. If you are interested in buying masks and rapid test strips, please contact me for further information needed. In addition, we also provide other products such as medical ventilator and thermometer.  This email also encloses with the attachments of product information and price list. If you need further information, please don't hesitate to contact me.
Face Shields	Inline Motion	Chris Nord	chris.nord@inlinemotion.com	218-234-1357	We are a MN based company. During normal times we produce Stainless Steel conveyors and automation equipment for the food industry. Right now we shifted our focus to produce face shields for all the healthcare workers that are fighting this pandemic on the front lines. We plan on both selling and donating these shields. There are many organizations that need them and aren't able to afford them, so we plan to use some of the profits to donate to them. Starting next week, we will have the capacity to produce 50,000 to 60,000 units per day. Everything will be produced here in the USA.  Our initial plan was to design and produce around a thousand face shields and donate those locally. Our manufacturing methods are not typical for medical devices which is what has allowed us to procure materials that are in short supply due to everyone else manufacturing their shields with the same method. With our design there is enough material and manufacturing capacity to supply the entire world with face shields.  We hope to have all this nailed down by the end of the day tomorrow so we can set a price point and start accepting orders. The more that we can sell, the more we will be able to donate. Please let us know if you can help! We are available 24/7.

**This is just a list of vendors. The have NOT been vetted.**

Item	Business Name	Contact Name	Phone	Email	Description
Various	Camelo Health care	Anthony Trawick	407-970-7863	anthony@camelothhealthcare.com	<p>My name is Anthony Trawick, I am a healthcare consultant. I am watching the news briefing saying there are no supplies. I don't understand this? We work with a few companies in China and Thailand that have medical supplies available that can be here in less than two weeks. You would pay cost from the factory and avoid the price gougers.</p> <p>I don't understand why this is not already happening... China is trying now to stop the flow of supplies to America but as of right now you can still order. Don't take this as a shady sales call. Im serious. Ill connect you right with the factory. Lets just get this moving... I don't understand why NY and other states are not already doing this if supplies are available overseas. The company is based in Hong Kong and works directly with customs for expedited delivery.</p> <p>Medical Supplies Available:</p> <p>Masks Gowns / Full Suits Ventilators Respirators Instant Covid 19 testing kits that are being used in China, Thailand and Korea.</p> <p>These products are available. If there is a real need please call me, I can help. This is not bullshit... Call me if there is a real need for these products.</p>
Reusable Hoods/Gowns	Unk	Stephanie Weiss	None	weissacre@live.com	My brother is an ER and flight nurse in Alaska who was born and raised in South St. Paul. Due to lack of medical PPE in Juneau where he practices, he developed and prototyped some medical hoods that are easy to make and being manufactured in Alaska. The reusable tyvek medical hoods prevent droplet spread of COVID-19 to eyes, ears, neck and hair -- areas of high contamination -- and can be paired with masks to increase safety for our medical workers. A colleague of his designed tyvek medical gowns for which free patterns also are available.
PPE	Galls	Justin Ryan	859-202-1015	Ryan-Justin@galls.com	I spoke with Jacob today about your potential need for N95 masks and I wanted to provide a quote, payment details and images to provide some further information for your discussion. Attached is the price quote for these masks, if you have any questions or concerns please let me know and we can discuss through them. Below are the requirements for you to secure the inventory for your order, these requirements are due to the extremely high demand for these products worldwide and are required for us to get them in and secure inventory
Googles	Valken Sports	Daryl Stetser	D - 856-812-2804 C - 856-981-6890	daryl.stetser@valken.com	My name is Daryl and I work for a sporting goods company based in New Jersey called Valken Sports, we also have locations in Colorado and California. We manufacture sporting goods equipment, and on Friday last week we were contacted by Mt Sinai Hospital in NYC about one of the products we sell for eye and face protection. Since then several other local government and hospital supply companies have reached out and purchased goggles and disposable coveralls. They said that there is a huge shortage of equipment to battle the Covid 19 virus and they were interested in ordering from us. They ended up taking 1,000 goggles that we were able to ship the same day, and we realized that we had products that you guys might need.
PPE/Defibs	CORO Medical, LLC	Connor Remezarbe	W: 615-716-8435 C: 270-779-5775	connor@coromed.us	Please list me on your voluntary EP vendor list at:
PPE	Every Ancillary	Bobbie Brooks	501-226-5051	myfriendbobbie@gmail.com	Every Ancillary has broker contacts around the world with PPE ancillaries/products. We compiled www.covidinventory.com as a rudimentary site to collate opportunities. Please check out our inventory list and directions for ordering, on the above website, we are receiving supplies and changing prices daily. We have a large network that allows us to find a variety of opportunities to connect buyers and sellers. I look forward to serving you.
PPE	LiteFighter	Rich Coachys	O: 678.880.8690 M: 404.718.9818	rcoachys@lifefighter.com	Please be advised that LiteFighter is now in the medical PPE business. It happened quite by accident as early last week I tried to help one of your fellow TAG's locate masks from a reputable supplier, without him being gouged on the price. In my search effort, I located a reliable quality supplier for the facial masks that are in short supply in the US to help fight against COVID-19. As a result, LiteFighter is now a distributor for these items to help in the fight and I was able to save that TAG's state \$1.25 a mask. Please see below and attached for the two items most in demand
PPE	Shambliss Security LLC	Tony Sherwood	(847) 323-4004	tony.sherwood@shambliss-security.com	I have a great team to procure the very safety items the people need. Let me know if you want to jump on a call -- or if there is someone you want me to talk to with regards to your needs. Don't hesitate to call me at 847-323-4004. anytime of day.
PPE	Proforma Think Ink	Russ Howarth	845-978-3628	Russ.Howarth@proforma.com	Our Corporate Office is facilitating orders through a trusted supplier for all 650+ franchises we have for the attached products (Masks, Goggles, Gowns) in addition to Hand Sanitizer, Disposable Gloves, and all other supplies. We are doing our best to make sure the items our clients are getting are exactly what they are ordering in order to protect their employees during this time.
Face Shields	Image Options	Kathy Guerneau-Shook	p 949.586.7665 m 949.795.8124	kathys@imageoptions.net	I am writing to introduce our company Image Options. We are an Orange County California based company that has pivoted our manufacturing to make disposable Face Shields and other COVID-19 PPE items. We are working with many hospitals and government agencies across the US and are now currently shipping 50,000 shields per day.
Masks/Gowns/Swabs	FAM Brands	Carrie Henley	O: 323-278-7774 C: 310-951-0724	chenley@fambrands.com	I wanted to pass along some information I hope will be helpful to your operation and/or those of the organizations you work with. I've recently learned about a Los Angeles-based apparel company (FAM Brands) that has converted its line to produce a nearly endless supply of masks, as well as disposal gowns, swabs and other items.
N95	Genesee	Jordan Braaten	Direct: 800.789.5550 x 2048	jbraaten@geneseeeci.com	I hope you are well and safe. Genesee has answered the call for the n95 mask and will now be able to provide n95s to all our researchers and healthcare workers. We are accepting PO's now and the lead time will be 2-3 weeks.
N95	Imprint Engine	Kit May	612-702-2776	kit@imprintengine.com	This is Kit May, with Imprint Engine and wanted to let you know that we have secured 4Million Approved NIOSH N95 Masks, ready to distribute.
PPE	BeKind2People	Justin Galzki	(763) 203-3052	justin.galzki@bekind2people.org	The reason I am reaching out to you is we have connections to obtain N95 and/or KN95 masks in very large quantities. We can acquire 500,000 - 1 million masks at a time, in the \$4.00-\$5.00 price range for N95 masks or \$2.50-\$3.00 price range for KN95 masks. They are FDA certified. Since there is a severe shortage of FDA approved masks throughout the world, we wanted to offer our services, to help supply the state of Minnesota, with any masks they may need, in area of the state.
PPE	Blk Out Transport	Nathan McGuire	847-879-0097	m McGuire@bkoutllc.com	I currently have the following materials sourced domestically. Please reach out if you're currently procuring much needed PPE.
PPE	Store Support Group	Ted J Filipowicz	Office: 800-432-7839 Cell: 678-428-9950	d65@storesupportgroup.com	I have attached an informational flier showing our product and current pricing.FaceShields
PPE	Gentox Medical Services	Valentine Awasom	Cell: 763-245-9191	vawasom@gentoxmedicalservices.com	We have been importing medical products from China for the past 5 years and we know and understand every manufacturer. We actually have employed personal on the ground in China going from manufacturer to manufacturer verifying products, quality and most importantly watching warehouse workers box our products as they are shipped guaranteeing the correct items. Our staff speaks both English and Mandarin to ensure we can get the best products at the best prices. Gentox is a registered FDA importer and every manufacturer we work with is also registered with the FDA and CE (European version of the FDA) as well as the products they create. As well as several are also registered with NIOSH (National Institute of Occupational Safety and Health, a division of the CDC). With having boots on the ground and physically able to walk into manufacturers and with a 5-year ordering history, we get preferential treatment. We can fill any sized orders we are given.
PPE	SHENZHEN PROVISION TECHNOLOGY CO.,LTD	Vicky	0755-23046654 +86 13480819193	vickylu@maskourcing.com	How are you? We are qualified manufacturer for FACE MASK / SURGICAL MASK / N95 BREATHING MASK from CHINA with the strength of CE & FDA certified, 280 workers, 26000m <sup>2</sup> non-dust workshop, 4 years' supplier of Wal - mart and 8 years reliable relationship with domestic pharmacies.
PPE, hand Sanitizer	Pelican Global Logistics	Logan Parker	540-409-7221	logan@pelicangloballogistics.com	My name is Logan Parker and I am working for Pelican Global Logistics. We do bulk orders of N95 masks, hand sanitizer and face shields among other things. I am asking you today if you or someone in your organization would know if you all have a need for any of the medical supplies listed above. We do bulk orders and can get these supplies to you in around a week.
PPE	Med Logix	Omar Khan	C 469-826-9297 W 866-529-6404	okhan@medlogix.co	We would be happy to help supply your organization with PPE during this time of need. We already supply major facilities and organizations around the US. We are also FDA approved.
PPE	Unk	Cherry Cournoyer	651-558-1804	cherrycournoyer@msn.com	I wanted to reach out and see if Minnesota could use these N95 masks we can get from a supplier we work with in China. Let me know and we would be willing to donate a portion and place a larger order if needed. They cost \$3.50 a piece which is up there but not sure of other pricing you are hearing of. Please Feel free to call us 651-558-1804.
N95, hand sanitizer	Twin Pines Imprinting LLC	Nathan		nathan@tpipromo.com	You are receiving this email because you purchased custom MDH apparel from us recently via our MDH custom apparel web store.We are also a promotional products supplier and many of our suppliers we purchase from have converted to manufacturing respirator masks, surgical masks, safety gloves and hand sanitizer products. We are a registered vendor for the state of MN.
Face Shields	Inline Motion	Lucas Hoffman	O 218-234-2072 C w28-841-4803	lucas.hoffman@inlinemotion.com	We are a Minnesota based engineering company and we recently designed and started producing a face shield. Our design is easy to manufacture with a variety of manufacturing methods and can be deployed at an extremely large scale to fix the shortage of clear plastic face shields. Our units are durable, reusable, and can use any corded device to be worn. Our ability to scale rapidly coincides with all of the industries that are presently furloughed. We can use their 1,000's of idle machines. Starting this time next week we can start producing 50,000-60,000 shields per day, and start scaling immensely each day.
Face Shields	Ultra Green	Kristin Davidson	612-940-6184	kdavidson@ultragreenhome.com	I have the capacity to immediately manufacture face shields here at my facility in Mound, MN. The lead time would be about 4 days once I received a print. I am a WOSB and registered with SAM. Not sure if that is a requirement... I can be reached at kdavidson@ultragreenhome.com or 612.940.6184.
Face Shields	PO Plastics	Don Jager	612-770-8552		The person calling is Don Jager from PO Plastics which is a MN plastics company. They manufacture plastics and they are looking at helping create face shields for personal protective equipment in response to COVID19. They want to be of help to the cause.
Face Shields	DLS Die cutting	Jason Hedlund	N 763-509-0966 C 612-810-8479	jason.diedcutting.com	We have a disposable face shield that Italy and others are using that we are mass produce. We can produce over hundreds of thousands a day.
PPE	American Molecular Laboratories	Dr. Brad LaVallie	920-819-1495	blavallie@amlaboratories.com	This is Dr. Brad LaVallie with American Molecular Laboratories. We are a testing lab in the Chicagoland area and our suppliers still have quite a bit of capacity to produce large quantities (millions) of protective gear, and at this point, we have not seen price increases from them. KN-95 masks (\$3.90), isolation masks (\$5.50), they also have gowns, caps, shoe covers, etc...
Face Shields	Central Canvas Mfg. Inc.	Tim Patton	320-363-1065	centralcanvasmfg@gmail.com	Central Canvas Mfg has the Ability, capacity and resources to produce protective face shields in our facility at a reasonable price. How do we get in touch with the right people? Please call me at 320-267-7068

**This is just a list of vendors. They have NOT been vetted.**

PPE	Heat ON Contract MFG	Sam Caswell		hcmwh-pw@heatoncontractmfg.com	Hello, I represent a contract manufacturer in Wisconsin and we are reaching out to our neighboring states to help with the shortages of N95 and surgical masks, these are all CE FDA and NIOSH certified. We have capacity to supply millions of masks for any further information or for any quoting please contact me thank you Sam
PPE	Unk	Steve Frenkel	312-590-8888	steviefrenkel@gmail.com	I've been working with a team that is able to source PPE (N95 masks, surgical masks, face shields, etc.) from Chinese manufacturers at what I believe are below current market prices. I'm working with Cook County in IL to see if they need any supplies and thought I'd reach out to you to see if folks in MN might need additional supplies as well. Cook County said they're seeing N95 masks at \$6 to \$9, which is very expensive. My partners are pricing at \$3.36, for example. It's about 2-3 weeks from placing an order to delivery. I'm attaching the equipment list/pricing for reference.
PPE	Apparel Sourcing Group (ASG)	Grayson Haff	1-980-643-0776	grayson@apparelsourcinggroup.com	My name is Grayson Haff, and I am the Director of Sales for Apparel Sourcing Group (ASG). ASG has been a leader in global sourcing and fulfillment for the past five years. Although our experience is in manufacturing clothing, our factories have transitioned to produce KN95 masks, surgical masks, and other forms of personal protective equipment during this time of need.
Face Shields	Fey Industries Inc	Sam Burvee	507-442-4311	sam_burvee@feyindustries.com	I am with Fey Industries Inc. We are a manufacturing company in Edgerton, MN (Southwest Corner of the State). In an effort to help the COVID-19 Effort, we have developed a Protective-A-Mask Face Shield. We have been working with local hospitals down here to develop and are now starting production. Can you help connect us to the hospitals, nursing homes, and rescue teams in need.
PPE	Fresh Start Showroom	Autumn Thayer	C 612-940-6120 Showroom 612-379-3366	autumn@getrags.com	I watch the daily Governors update daily and Governor Walz has been reaching out for additional PPE for our health care providers. I am an apparel wholesale representative and one of the companies I work with is sourcing and supplying PPE. Items we are able to source are listed below they are produced in Bangladesh & China. All of these items are certified by World Health Organization. The turn around time for each item is depending on the time of the order & quantity. Right now it is about 8-12 days.
PPE	PPE Tech	O. Philip	1-443-360-2500	support@ppetech.co	We can expedite the shipping and delivery of large quantities (over 500,000 units in stock, and more if need be) of NIOSH approved N95 Disposable Respirators at non-inflated prices within 3-5 days. Our core business is sourcing merchandise. During this time of need, we have transitioned to use our exceptional international sourcing expertise to assist health care providers, government agencies, and essential services to secure critical medical supplies. Kindly see the attached document for more information. If you are looking to purchase NIOSH approved N95 respirators, kindly call 1(443) 360-2500   email: support@ppetech.co
PPE	Nada Chair	Victor Toso	612-414-9215	victor@nadachair.com	I am a local merchant who has been importing medical supplies from off-shore for 30+ years. My factory has indicated that they have immediate supply of N95 face masks for use by medical professionals as well as regular face masks for more non-critical use. I currently have quotes for up to 100K quantities.
PPE	CrowdSync Technology	Zach Earle	919-207-3904	zach.earle@crowdsynctechnology.com	Hope you are doing well through this precarious time. As live events take pause, our company is helping municipalities, hospitals, and workforces alike, source the heavily - desired KN95 masks. We currently have 250K on hand and are producing 100K per day at this rate. All are FDA and CE certified, with certificates provided upon request.
PPE	Cosmopolitan Enterprises	Judith Rubin	212-729-4776	cosmopolitanenter@gmail.com	Good Luck on your new appointment, hope I can be of help!! With time of the essence, we are looking to put together an order, which would be delivered directly to each location within 2 weeks. In order to hire our own cargo plane, we would need to put an order of 6 million pieces in total for all states in any combination of the catalog items which is attached. There will be no price gauging and all items to be delivered direct location of choice.
PPE	Startup Acceleration Partner	Robbie Cordo	612-201-6106	robbie@robbiecordo.com	I have a source for millions of masks, possibly tens of millions, that I would like to tell you about. When is a good time to call you at 651-659-1445? Is that the correct number?
PPE	Magellan Imports   Shenzhen Jinzerun Xinxi Zixun Youxian Gongsi	Stephen Wolter	86 134 344 1335 (china cell)	wolter@magellan-imports.com	Our company is an American and Spanish owned Chinese trading company. We are now currently working with over 200 vetted suppliers in China. I have attached an updated pricelist on some of the things we are sourcing. If you are in need of anything not listed, please let me know. Please note that most of these items are new for us. We are constantly working on more sources to find more inventory and better prices. Due to the unprecedented worldwide demand and subsequent shortages, prices are rising fast and inventories are dwindling. Many factories have production capacity spoken for already. I wish I could promise 100+ million per orders, but the truth is shelves are going bare. Factories are buying more machines and new businesses are emerging to try and meet the demand, but the demand is overwhelming. Our team is tirelessly working around the clock, we are hiring more agents, and we are consistently finding more suppliers in order to do the very best we can. With the way inventories have been decimated, we are leaving no stone unturned to source urgent orders.
PPE	Gold Dome-Link, Inc. is	Nelson Faerber	678-467-8198	nfaer3@gmail.com	Please find the attached PPE offer for 3-Ply Ear Loop Masks, KN-95 masks, and isolation gowns.
PPE	Aunt Flow	Jen Severtis	614-374-7394	jen@qauntflow.com	Sending you so much positivity and health. We want to help. We are woman-owned company based in Columbus, OH (information attached). Aunt Flow successfully transitioned our production and resources to manufacturing FDA-Approved Masks.
PPE	Capital Garmet	Harry	1-514-867-7011	harry@nuage.com	We read you are looking to procure supplies of Protective Personal Equipment (PPE). We are able to supply FDA certified masks, and gowns with other products to follow.
PPE	Host Promotional/Marketing Products	Douglas Host	239-745-5780	hostapparel@outlook.com	We have sourced CE certified FFP2 rated disposable masks. These are non-hospital and are not surgical masks. We will also have KN95 FFP2 masks FDA/CE available. Inventory changes daily. We also have just received an inventory of boot covers, goggles, and full body suits all FDA/CE hospital quality. We also have 2oz bottles of hand sanitizer available. For a price quote, please advise type and quantity needed, delivery time approximately 5-8 days.
PPE	Dobbs Enterprises, Inc	Bruce Sharkey	954-649-4377	bruce@jmsmenus.com	We all know there is a major shortage of N95 face masks in hospitals, doctors offices, fire stations, etc., all over the country. I wanted to let you know that David Dobbs Enterprises, Inc. is selling the KN95 face masks and would like to know if we could get you some.
PPE	Unk	George Halverson		george.halverson@gmail.com	Standard. Proctor and Gamble molds. Would you like a million masks?
PPE	Unk	Shaunta Garth	312-498-3190	312-498-3190 shauntagarth@gmail.com	My name is Shaunta. I am sorry for the random e-mail. I am writing because I have prior marketing experience, and during that time, I developed many relationships with international vendors for various products for promotional needs for clients. I am reaching out to you because I know during this pandemic that there is a need for medical supplies such as Disposable Protective Mask, Infrared Thermometers, Glove, Goggles, and more. These items are FDA & CE Certified. I don't know if you already have someone working on brokering this for you, but if not, I would be interested in doing so. Please let me know.
PPE	Colored Organics, LLC.	Colored Organics, LLC.	D 866-709-2326 C 612-306-1444	nmb@coloredorganics.com	I have been trying to get ahold of someone regarding your mask supply. We are a textile company based in Minneapolis that has the ability to manufacture N95 and surgical masks which are FDA and CE certified. We have the capacity to produce 100K N95 masks and 500K surgical masks per day. We are looking to help in any way we can. Please feel free to respond to this email or call me at 612.306.1444 if you are in need or have any questions.
PPE	MN Home Outlet	Jimmy Vosika		jimmy@shopjimmy.com	We have upwards of 2 million KN95 masks enroute from China. Other states have expressed interest but we would much more them go to our healthcare workers here in Minnesota first. We're selling them for \$3/mask. We have several groups working around the clock in China to find more. We should be able to get 500,000-1,000,000 per week. I know N95 is preferred, but perhaps you have use for the KN95. Please advise.
PPE	Stak Product Services	Charles Scharkowski	-18411033621	charles.s@stakservices.com	This is Charles Scharkowski with Stak Product Services. Please reach out to us if you need extra support in sourcing and supplying medical items such as surgical masks, plastic shielding masks, or other items during this urgent and challenging situation. We are a full-service sourcing, concept, design to manufacturing company with feet on the ground in Taiwan, China, Thailand, the US. We are quick and easy to work with and have sold millions of products to customers worldwide. The most efficient thing to do is to simply let us know what it is you need, quantity, any certification requirements and we can get back to you asap with a response and quote.
PPE	Unk	Senator Michelle Benson	651-296-3219	senmichelle.benson@senage.mn	Can you please route me to the correct person to help with masks. A friend in high speed manufacturing can source 0.3 mic filter material and has 2 plants in the twin cities. Tooling 25 hours and process in 24 hours. He doesn't want to start without understanding the need. Please tell me who to talk to.
PPE	Unk	Yajie Cai	626-454-9035	polga1017@gmail.com	My aunt's friend let me know she is importing masks from a factory in China. She told me she has a connection with the factory and she is able to secure shipments of masks from Shenzhen to LA. She said right now she can order 100,000 right away and may be able to get more. It is my aunt's friend and I spoke with her and it sounds legitimate. Although I have no background in this.
PPE	FritzFinn	Mike Nathan, MBA	O 888-570-9955 C 651-214-7473	mnathan@fritzfinn.com	I think I need your help. Yesterday afternoon I learned of a source for medical supplies in China through mutual business relationship. Given the current state of vital supplies in the country/world I see an opportunity to be helpful.
PPE	Unk	Pat Neumeun	952-451-4550	email@pat@gmail.com	I am reaching out to see if there is anything we can do to manufacture some PPE equipment. I own a facility in Glencoe, MN we are currently rehabbing and could be ready to produce face masks in about 2 weeks, gowns in about 3 weeks and 3D printed facemasks in about 4 weeks.
PPE	Edge Case	Adam Gould	781-591-9094	adam@edgocase.ai	My company supplies the items that your state needs, and I would like to help. We are Edgocase.ai and we have locations around the world (including "feet on the street" in China to inspect product and vet factories). Ultimately, we have significant access to ventilators, face masks, hand sanitizer, etc., along with the logistics capability to deliver.
PPE	WELL-SUCCEED EMBROIDERY	Maxine		maxinefu0101@gmail.com	We can supply you disposable medical masks, surgical masks, KN95 masks, face shields, medical gloves, medical protective glasses, medical infrared thermometers. We can NOT supply N95 masks. All the products have CE and FDA certificates.
PPE	Feit Dianzi Co.,Ltd	Jason Lee	Tel: (+86)755-8327 6040	sales@feitdz.com	My name is Jason Lee. Ate present, we supply good quality face mask and handheld infrared thermometer. We have all of them in stock. The following is the disposable face mask and thermometer we supply:
PPE	Identity International LLC	Dan deHaan	971-888-0616	dan@identityllc.com	Identity International LLC is a wellness company, based in the State of Washington, with offices throughout the US. Identity's focus is on ensuring the health, wellness, and wellbeing of our customers. During this time we have been asked to provide products to assist in managing the effects and life situations related to the COVID-19 virus. We have diligently sourced the highest quality items from trusted manufacturers globally to build our product line, as we have always done.
PPE	Pure Safe	Marc Goldaer		sales@puresafemedical.com	Please send the attached letter and pricing for PPE to the appropriate procurement officer to discuss how we can aid your organization in acquiring the supplies you need immediately.
PPE	Unk	Barak Hayut	404-664-2944	me@barakhayut.com	We are able to source the 3M brand Masks. They are manufactured in the US and the initial batch can be ready in 7-10 days assuming we have money in escrow by Monday, April 14th. You are making them to order. We can fulfill 15-20% of the order between 7-14 days, and 100% within 45 days. We can fulfill in the 100-200 million unit range.
Face Shields	Elevate 97	Jeffrey A. Spizale	612-607-2158	jeffspizale@gmail.com	I work for Elevate 97 based in Green Bay, WI. I office in Edina MN. Our company is woman owned and does primarily printing, signage and fulfillment. When our CEO (Kate Burgess) realized the need for protective gear she had our production team shift gears and we started producing FDA approved face shields. We have been producing about 200,000 a week and keep stock of about 20,000 units for quick turn. Our first shipments went to NY and in the last few weeks have focused closer to home (MN and WI).
PPE	Sailcrafters Loft & Rigging	Tim Carlson	C 952-693-6089 shop 952-540-7474	tim@sailcrafters.com	I am writing to you now because of the COVID-19 problem. I own a sail making and repair company and right now we are making face shields for the caregivers and Emergency personal dealing with the COVID-19 cases in the Metro area. We could use you a little help in getting these to the good people who need them now. We give these out, free of charge, one box of 50 at a time, to the front-line workers that are in the high risk areas.
PPE	MajesticBed, LLC	Sean Martens	248-935-2252	sean@majesticbed.com	We are able to help fulfill your need for face shields. My partner, Ross Badalamenti who owns Foam N More in Clawson, MI has repurposed his manufacturing plant, from making MajesticBed's symptom specific sleep systems, to make high quality face shields that can either be one-use disposable or sanitized for reuse. We are increasing our capacity to make 4,000 to 8,000 shields a day.

**This is just a list of vendors. The have NOT been vetted.**

Various		Andre Keith		akeit693@gmail.com	<p>My name is Andre Keith. I wanted to reach out due to the issues that are concerning the medical supplies and the health of the millions of residents in Minnesota.</p> <p>I follow the medical industry very close and see the prices that are offered to hospitals, doctors, and many other organizations. I see how many companies are charging outrageous amounts and benefiting off of this terrible epidemic. Many people can vouch for me as I do work with the VA on sourcing products to help them in this time of need.</p> <p>My team and I can bring great help to this tragedy that has swept our great nation. We currently have medical supplies available in quantities of millions of mask, gowns, gowns, shields, and even have supply of ventilators.</p> <p>I have attached a price list to this email. I hope that you see that we are way cheaper than anything else on the market. Each of our medical supplies all come with a medical certificate for either FDA approval or Niosh approval.</p> <p>Example: Niosh N95 Mask are going for \$6.00-\$7.00 each compared to our \$3.23. I have my team ready on stand by and have inventory ready to ship.</p> <p>I hope that you see that we are way cheaper than anything else on the market. Each of our medical supplies all come with a medical certificate for either FDA approval or Niosh approval.</p> <p>Please feel free to contact me with any questions that you might have! I would love to be able to help you, the MDH, and residents of Minnesota in this great time of need.</p>
Various	1st Source	John McLeod	612-859-1854	jmcleod@callfirstsource.com	<p>I currently have access to critical medical gear and sanitizer, and would like to offer my services. Right now, we have access to a supply-line of masks, sanitizer, and other protective gear that many others either don't have, or aren't aware of. Among these items are: N95, KN95, and Disposable Surgical Masks, of which we've put the N95's "on the backburner," because, in my opinion and those in my company, they've been EGREGIOUSLY overpriced (\$14.10 per mask!). Even for pandemic pricing that's insane. As a result, we've opted instead to offer up the other two only; the FDA recently ruled KN95 masks as equivalent to N95.</p> <p>There are dozens of freighters coming from China as we speak, but they're not expected to arrive anywhere between 3-6 weeks at best (even orders arriving via 747 may take 2-3 weeks)! Once they do however, we're expecting prices to plummet to far more affordable rates. If you can wait that long, or find another source with lower prices than what we have, I'd honestly suggest that you take that course. I want to work with you for years to come, not just for a few months!</p> <p>In addition to that, you should know that we're attempting to charter one of our own planes from Hong Kong. It's a long shot to be honest, but if we're successful, our prices should drop dramatically, and greatly reducing the wait time for orders to arrive! The first prices that you see listed under 10-50K units ordered is misleading. In reality, the prices are for orders ranging from 1-50k units, so you don't have to order 50,000 to get that price. Just so you're aware, there's a mandatory minimum of 1,000 units per order. I apologize if this causes you any problems.</p> <p>We are currently supplying these products (see above), to customers throughout the Mid-South and the Midwest, including: St. Jude Children's Hospital, Ronald McDonald House, the City of Memphis, AutoZone and many others.</p> <p>We also have rare access to a manufacturer of 80% alcohol, medical-grade liquid hand sanitizer (we're still waiting for gel), by the truckload. They come in gallon pump bottles, 4 gallons per carton. At present, I have 3 trucks that can deliver to any single location that you desire. Production has already begun, so if you were to place an order next Monday, it would be on the road the following Monday.</p> <p>The current prices posted in the PPE, Sanitizers file above are can only be guaranteed until tonight, Thursday (April 16th), but the gallon containers will remain the same.</p> <p>If you have any questions or concerns that need to be addressed, please reach out to me whenever you can. I'm only a text, call, or email away.</p>
N95, KN95 Masks		Al Pankow	651-451-9100	al@joscomelius.com	<p>First, thanks for all the hard work and excellent communication the HSEM team has been providing to the state of Minnesota regarding your needs for PPE and the efforts to keep us all as safe as possible.</p> <p>I am a local manufacturers representative with Josco Melius located in Burnsville MN.</p> <p>We have a company which we represent which has been able to procure a steady supply of N95 and KN95 masks along with face shields.</p> <p>They would be able to provide quantities into the 200,000 per shipment in a relatively short period of time.</p> <p>I am reaching out to you directly as I did submit this information on the MN Covid 19 site earlier this week and have not received any feedback yet.</p> <p>Please let me know if your agency would like more information regarding our capabilities.</p> <p>Thanks again for all that you are doing.</p> <p>I can be reached either on my cell phone or email listed below.</p>
Mask/Filter/Shield all in one		Robert Gauthier		rlgauthier@comcast.net	<p>We finally have production and a product- this is a mask, filter and shield all together. Let me know if there is any interest, can get samples to you this week</p>

Various	OlleyMay	Bill Dietz	805-575-8824	bill.dietz@olleymay.com	<p>We're currently working with Health Care Associations in other states to help keep their staffs and patients safe! As an example, I received a call from the President's office for a State Healthcare Association in the northeast yesterday and they were very familiar with Proforma's excellent reputation as a Trusted Vendor and forwarded my email and attachment to all of the members in their state the next day.</p> <p>After reading about our efforts to help fight the coronavirus, the President's office for a State Healthcare Association in the Midwest sent me a link and had me apply as a vendor. Within 15 minutes, their Vetting Manager called me and the following day he connected me with his Procurement Team.</p> <p>Just this morning, another state in the northeast added us to their list of Approved Providers on their COVID-19 Resource Page and many more states are in the process of getting our information out to their members.</p> <p>With that said I would welcome the opportunity to make the members in your state aware of our FDA Approved, Licensed and Certified Personal Protective Equipment. Would you or a member of your team be able to forward an email from me to your members (in which case I'll send it to you shortly) or is there a link you can send me so that we can apply online as a new vendor for your state? Please let me know what would work best. Thank you in advance and stay safe!</p> <p>Are you still looking to procure supplies of Gowns and Masks?</p>
Gowns, Masks	Capital Garment	Harry Cadha	514-867-7011	harry@nuage.com	<p>Our Gowns are AAMI Level 2 - we can send the testing results Our Masks are ASTM Level 2 - we can send the testing results</p> <p>I've attached info for what we have available.</p> <p>Please let me know if you would like to place an order.</p>
Various	Screen Graphics, Uniform Connection, Hidden Bay Sports	Craig Smith	715-394-2067	mnsales@sgsuperior.com	<p>We just spoke on the phone. Please find below a list of various PPE equipment we have available. As of today, we have a delivery time of 12 to 15 days. Thank you for your time. Stay healthy.</p>
N95, KN95 Masks	Med Concepts	Waleed Syed	773-313-7530	wsyed@med-concepts.com	<p>I am with Med Concepts, a medical supplies company based out of Chicago. We wanted to submit a bid for the N95 NIOSH masks and KN95 masks. Our KN95 masks are FDA approved. Our N95 masks are NIOSH and FDA approved. We also carry other supplies like PPE, goggles, and thermometers. Any of the items that are in the bid can be provided in any quantity in 5-14 days. Here is what I have in-stock currently for immediate shipment:</p> <ul style="list-style-type: none"> <li>• 80,000 NIOSH N95 masks</li> <li>• 45,000 KN95 masks</li> <li>• 2,500 surgical face masks</li> <li>• 100 ICU nurse suits</li> <li>• 250 non-contact thermometers</li> </ul> <p>Given the shortage of masks due to the COVID-19 pandemic, we would like to assist to fill the shortage by offering competitive prices. We have an approved FDA Import License. I will provide a bid upon request and would appreciate it if you could forward this email to the right point of contact. I appreciate your help in this matter and hope you are staying safe and well.</p>
Various	PDI Global	Stephan S. Huh	612-702-0203	shuh@pdidg.com	<p>My source for COVID19 producers mask, testing kits, gloves and many other COVID 19 related materials are the one of the top quality with lowest possible prices. Our main producers are from Korea and some from China and Singapore.</p> <p>Please contact me and 'Hayden Shim' &lt;hshim@pdidg.com&gt; ASAP for your need.</p>
Various		Mike Spina		mikespinanc@gmail.com	<p>Hello a very PO Buyer could not get proper funding. I have these PPE devices ready for shipment</p>
3-ply masks	American Mayo Chinese consultant	John Liu	612-380-7018	amc.usa666@gmail.com	<p>My name is John. I am a local masks importer in Rochester, MN. Various	Agintas	Bart Schmidt	917-302-0492	bcschmidt@gmail.com	<p>Please note that we already filled out the online form as well.</p> <p>Agintas in Germany is an approved and certified distributor of PPE for German government; working directly with Dept. of Health and Dept. of Defense. Agintas USA is connected with offices of Gov. Phil Murphy in NJ and is also working with City of NYC (Dept of Citywide Admin Services: DCAS). <a href="http://www.agintas.com/">www.agintas.com</a> / our President USA is Ms. Anette Menzel (located at our offices in Rumson, NJ).</p> <p>We'd like to offer our PPE service to MN as well; we have favorable conditions for certain items (masks and face shields): paid on delivery. Some PPE items do require advance/upfront (as much as 50%) due to current demand and airfreight cost.</p> <p>We're willing to do whatever we can to partner with your team in MN as well.</p>																																																																						
Medical Masks	24alife	Andrej Pantar	507-202-2444	andrej.pantar@24alife.com	<p>I was approached by Andrej Pantar, Sales Director at 24alife from Rochester. His company is a registered vendor for Mayo Hospital. Currently, Andrej supplies various types of medical masks for the Mayo at Rochester and has an opportunity to distribute more to medical facilities in need here in Minnesota.</p> <p>Attached is a specification of available masks. Andrej would appreciate it if his information can be shared with those looking for PPE in MN. He is copied on this email.</p>																																																																						
KN95, other masks	Private Trading Group	Nick Karos	612-567-0770	nick@privatetradinggroup.com	<p>My name is Nick Karos. I am currently working with several foreign governments with the importation of masks. Our parent company has had a presence in China for 40 years with corporate headquarters in NY.</p> <p>As you know the N95 masks are very difficult to come by but orders can always be placed. Currently lead time for any size is 2-3 weeks. 3-ply mask are much quicker and are available in size. The KN 95's are where my customers are now focusing their attention</p> <p>Here is the new timing:                      - If the order is 5 million it will take 5 days                      - If the order is 20 million it will take 10 days                      - If the order is 100 million it can be as fast as 15 days</p> <p>I would love to talk with someone and discuss how an order can be structured. We also have local legal representation. I understand there are many scammers so everything needs to be done in the proper way for protection on all sides.</p>																																																																						
Various	Viago Group	Zack Larson	727-827-2766	zlarson@smallbizdevgroup.com	<p>In an effort to support those on the front lines of the COVID-19 pandemic, we've leveraged our existing supply chain to gain access to critical PPE, including:</p> <ul style="list-style-type: none"> <li>- N95/KN95 Masks,</li> <li>- Sanitizer,</li> <li>- Medical Gowns,</li> <li>- Surgical Masks</li> </ul> <p>If you have a priority need for any of these items, we are teaming with one of our supply chain partners to accept phone orders. Shipping from Minneapolis. Price negotiable at higher quantities.</li> <li>o I will provide FDA and CE approval certificates in separate email. We can provide testing analysis and certificates. Note: the boxes are currently marked "non-medical" in order to go through China customs without delay. That is common practice that started last week due to the new Chinese Customs restrictions. We can re-label the package box if needed.</li> <li>o MOQ: 5,000.</li> <li>o We have 2,500 masks still available this week and 12,000 still available the week after.</li> <li>o Recurring Orders: We have a capability of 500,000 masks per week.</li> </ul> </li> </ul> <p>We also sell portable UVC/Ozone Dual Disinfectant Units for fast mask disinfection. Clinicians can disinfect masks throughout the day. These are very popular in hospital departments and clinics. More information can be provided upon request:</p> <ul style="list-style-type: none"> <li>• <a href="https://www.cpap1000.com/collections/respirators-and-surgical-masks/products/uvc-ozone-dual-disinfectant-home-edition">https://www.cpap1000.com/collections/respirators-and-surgical-masks/products/uvc-ozone-dual-disinfectant-home-edition</a></li> <li>• <a href="https://www.cpap1000.com/collections/respirators-and-surgical-masks/products/uvc-ozone-dual-disinfectant-professional-edition">https://www.cpap1000.com/collections/respirators-and-surgical-masks/products/uvc-ozone-dual-disinfectant-professional-edition</a></li> </ul>
Various	Physician Wellness Group	Joe Weber	786-857-6844	joeweber@alum.mit.edu	<p>In light of your state's critical need for PPE, I thought you might like to know about a company I'm advising, Physicians Wellness Group. If you are interested in what I've presented below, I can connect you with one of my knowledgeable colleagues at PWG.</p> <p>PWG offers a wide range of PPE to assist in your battle against SARS-CoV-2. All of these items are of the highest quality and have the requisite certifications. Long term, most of these products will be distributed from PWG's warehouse in Dallas. But in order to reduce lead times and shipping expense in the near term, many products are now shipping directly to the end user from their factories in Asia and Europe.</p> <p>This is a list of PWG's most in-demand items:</p> <ul style="list-style-type: none"> <li>• N95 and KN95 Masks</li> <li>• Protective Face Shields</li> <li>• Disposable Surgical Masks</li> <li>• Sterile and Non-Sterile Surgical Gowns, Level 2 and 3</li> <li>• Hand Sanitizer</li> <li>• Infrared Thermometers</li> <li>• Ventilators</li> </ul> <p>PWG has been in the healthcare and wellness industry for 5 years. For most of that time, its focus has been on providing nutritional supplements. Six months ago, the company began building a PPE distribution business based in Dallas, and it has established a reputable supply chain capable of producing large volumes of top quality PPE. In order to ensure that quality standards are met and that products are constructed consistent with the certifications they bear, PWG has a full team of QC inspectors overseeing its international supply chain.</p> <p>Currently, there are very large quantities available, except for ventilators, which are somewhat limited. If interested, please reply to this email with the products and quantities for which you would like details and pricing. Or let me know a good time for you to have a phone conversation with PWG. Thanks. Stay safe!</p>
Various		Dave Pearson	612-670-8441	pcaminnesota@gmail.com	<p>I'm guessing you have little time to take even a deep breath these days. You can safely pass this request to someone else in your department.</p> <p>I have some international business connections with an overseas partner. That partner has been approached by off-shore manufacturers of PPE asking if he/we knew of anyone with needs in this area. We didn't but this morning's article in the Strib and Pioneer Press seem to indicate severe shortages in some areas in Minnesota. The folks that approached us claim to have some inventory and also the ability to manufacture other items to order. Based on what's needed, we'd investigate further.</p> <p>Here's the question: who -- or which office in state government -- has responsibility for coordinating procurement of PPE? With that information, I'd contact them directly.</p>

**This is just a list of vendors. They have NOT been vetted.**

Various	White Barn	Michael Burst	504-453-0909	mikeburst@gmail.com	I hope this day finds you safe and sound. My company is White Barn, a supplier of Medical Supplies. We're currently working directly with several states and would like to ally ourselves with Minnesota as well. We are currently supplying isolation gowns, tyvek coveralls, face shields, N95 face masks, hand sanitizer, nitrile gloves and ventilators. The states we are currently working with pay nothing upfront and pay 100% within 24-48 hours after receiving the goods at their State Resource Center. We are ready to be your supply chain for any of the Covid-19 Supplies listed above.

Gowns	USIA	Neil T Duren	202-441-3286	nduren@gramhill.com	One of our portfolio companies, USIA, has retrofitted its manufacturing facility to produce Level-1 and Level-2 medical textile gowns to help support our healthcare professionals currently combating the Covid-19 pandemic. I have attached a cut sheet of the Level-1 gown, which is immediately available in quantities of up to 10,000 gowns per week, as well as a recent press release on our work to support healthcare professionals battling Covid-19. You can also learn more here: <a href="https://usia.com/medical-protection/">https://usia.com/medical-protection/</a> and here: <a href="https://usia.com/covid-19/">https://usia.com/covid-19/</a> .  If there is a need that we can fill, please have one of your staff contact me by email or phone.
Various	Global Linkage Partners	Goreth Nabukeera	515-441-2619	gnabukeera@globallinkagepartners.com	My name is Goreth Nabukeera, president of Global Linkage Partners (GLP) LLC. GLP is an Iowa based import-export company founded in 2014. We have strong partnerships with suppliers of goods made in Asian countries including, Hong Kong, China Mainland, and South Korea.  I am writing to express our interest to supply FDA approved quality Personal Protective Equipment (PPE) as an effort to avail our heroic medical workers with the critical tools they need in the fight against COVID-19.  Our team is present on the ground in those countries and are currently focusing on supplying the urgently needed PPE and other related hospital supplies. We are selectively sourcing from government certified manufacturers, and also working with FDA field officers for conformity with quality standards. I'm an American Society for Clinical Pathology (ASCP) certified International Clinical Laboratory Scientist, and I also trained in international trade under the U.S. Department of Commerce. Therefore, I take the supply of quality products in my business operations seriously.  Under our team's response to the urgent need for PPE supplies, we adopted the COVID-19 Emergency PPE Supply System (CEPSS) where PPE orders are prioritized. The consignments are shipped via air cargo as a preferred alternative to the traditional container sea cargo shipment. We keep our customers updated about the status of the cargo in transit.  Below is a list of some of the PPE supplies we expeditiously supply: • Face masks; N95, KN95 and Protective disposable masks • Medical isolation goggles • Glass protection shields • Medical isolation gowns • Hazmat suits • Head covers • Shoe covers • Infrared thermometers • Surgical gloves* Examination • gloves  We also supply other hospital items including, disinfectants, hospital beds, gauze, etc.  I look forward to hearing from you.

Safety Glasses	Surgery Dynamics	Wes Rogers	470-297-7299	wrogers@fischermti.com	<p>We manufacture PPE disposable eye protection. Our disposable eye shields are being used system-wide. We have a two-piece design which allows the plastic frame to be disinfected and reused. A new clear lens is snapped on, making the product more economical, and perhaps most important right now, stretching out your PPE supplies. I have attached our W-9, specs and an image of our product.</p> <ul style="list-style-type: none"> <li>• 100% sourced and manufactured in the USA</li> <li>• Manufacturing eye protection for 25 years</li> <li>• Supplying the largest US Hospital Groups for decades: Ascension Health, AdventHealth, Novant Health, Tenet Health</li> <li>• Inventory in stock for shipment today</li> <li>• Our pricing is the same as it was on Jan 1, 2020</li> <li>• Net 30 terms</li> <li>• Woman-owned, Minority Business Enterprise</li> <li>• Completed retooling of our American factories for production of 100,000+pcs daily</li> </ul> <p>150-110 Frames, Safety Glasses, 6.7" x 5.9", adjustable, disposable Box of 100ea \$90.73                      150-270 Lenses, Safety Glasses, 8.3" x 3.4", optical grade, disposable Box of 100ea \$102.92</p> <p>Ordering Information:                      Surgery Dynamics, Inc.                      3990 Youngfield Street                      Wheat Ridge, CO 80033                      Main 7708869029                      Fax 7708869086                      orders@surgerydynamics.com &lt;mailto:orders@surgerydynamics.com&gt;</p>
Various	Jinjiang Fangsheng Trading Co	Miss Cai	1-359-911-8376	newnewboyi@foxmail.com	<p>We are a trading company from China. Now because the epidemic is raging all over the world, all kinds of protective equipment has become a necessity in our lives. As it happens, we have the source of these must goods, cost-effective. I hope you can understand it in your busy schedule.</p>
Various	TGG	Ahmed Goma	860-502-0418	ahmed@thegomaagroup.com	<p>Great to connect over the phone. Once again my name is Ahmed Goma. We are currently in correspondence with PPE and FDA approved sanitation products manufacturers in China to supply us with much needed produced here in the U.S, and we are able to fulfill orders for the following products:</p> <ol style="list-style-type: none"> <li>1. KN95 masks</li> <li>2. Surgical masks</li> <li>3. Disposable gowns</li> <li>4. Face shields</li> <li>5. Testing swabs</li> <li>6. Disposable gloves</li> <li>7. Shoe covers</li> <li>8. Hand Sanitizers (75%)</li> <li>9. Sanitizing wipes</li> </ol> <p>We are working with a local connection in China to inspect the manufacturing processes at the suppliers' locations and ensure the products we receive meet our U.S quality standards. Please also be sure that we are working our best to stop any price gouging attempts from our manufacturers, despite being in a competitive market for those products.</p> <p>I would love to be able to supply the products you need with high quality and at a fair price that fits the items' quantity and size. Feel free to respond by email or contact me at 860-502-0418 to discuss your needs.</p>
Gowns	Top Shelf Distribution	Brett Hodes	954-757-8446	bhodes@topshelfdistribution.com	<p>Please see attached offer on Level II and III isolation gowns, these gowns are made in Mexico and are medline gowns and we are currently shipping them by air so you can have them very quickly</p> <p>Another state is currently buying these gowns and adding more to their order this afternoon due to the fact that they are available and coming from Mexico and not China and can be delivered quickly</p> <p>Due to demand and material costs Pricing and capacity keeps changing, currently we have 5M Level II available 1st come first serve based on a PO, POF and wire. We cannot do terms on this deal, there is too much money involved and very small profit margin. Our money is put in a US based attorney escrow who sends the money into there affiliate in Mexico city escrow and funds transfer upon final inspection as we take delivery. It's a very secure legal transaction. If you can act on these Level II at any qty over 1M, I can secure them for you. I have 1 other state ordering more this afternoon and waiting on final qty.</p> <p>These are selling quickly so if interested please let us know asap, We are delivering by air and we can deliver quickly as the factory in Mexico has huge capacity</p> <p>LEVEL II ISOLATION GOWNS- 9.85 EACH DELIVERED                      LEVEL III ISOLATION GOWNS- 10.35 EACH DELIVERED</p>
Various	ADS	Tucker Curran	757-275-7617	tcurran@adsinc.com	<p>My name is Tucker Curran and I work at ADS. We are working with a few other states with supplying PPE items. I submitted a source of sought to the MN ARNG and they said they sent it to the state. Just trying to get hold of someone who is handling PPE items. I need to speak with someone please.</p>

Clear Infectious Barriers	Piedmont Plastics	Brian J Malik	630-378-9966	bmalik@piedmontplastics.com	<p>Piedmont Plastics is a family owned plastic distributor and fabricator with 49 locations across North America. With offices in both Wisconsin and Illinois servicing the state of Minnesota, we wanted to reach out to your local state government concerning Clear Infectious Barriers to protect Minnesota state employees and customers from the transmission of Covid-19. If Minnesota HSEM needs this type of protection, we'd love to help.</p> <p>Attached are diagrams and pricing of some solutions that Piedmont is offering for Semi-permanent and Permanent Protective Barriers (See attached). Semi-permanent are inexpensive and can ship flat, easy to set up and take down or move for cleaning.</p> <p>If you are interested in these products or discussing a solution more tailored for your state's needs, please feel free to contact Piedmont Plastics or myself via email or mobile number below.</p>
level 1Surgical Masks	Vanalay	Ryan Wilson	763-425-7589	ryan@vanalay.com	<p>I was passed along your info from the Minnesota Hospital Association. We are a local company based out of Maple Grove, MN and have Level 1 surgical mask available. Please reach out to me with any questions.</p>
Protective Glasses	Laservision	Todd Chervany	612-770-8943	t.chervany@lasersafety.com	<p>Laservision focus on laser protection glasses for industrial and healthcare applications but are now considering production of clear (non-shaded) protective glasses for healthcare professionals that have been certified to protect against Sars-Cov-2. They start doing so with their existing machinery and staff (to compensate for the crisis related drop of their industrial business), but they would also consider investments in additional machines and staff depending on demand. Over here, they are already in touch with government on the issue.</p> <p>I shared the Medical Alley Covid-19 Matchmaking Portal link. In addition, are you doing any government matchmaking (or even government purchasing) that might be interesting for them? Or any other reasons for you to be in touch with them?</p>
Masks	Xingfu BUL Trading Co		lyb02@xingfudm.com	15618337613	<p>I'd like to introduce myself. I am from China's xingfu BYL trading company. As a professional manufacturer, I would like to introduce our products to you and provide you with your quotation. We have disposable face mask products, including disposable medical mask and disposable face mask. We are happy to establish business relations with you to provide you with our quality products.</p>
N95 Masks	QLSR Consulting	Joel J Kendorski	qlsr@me.com	989-766-2124	<p>I have many connections globally for manufacturing and I have lined up a supplier out of China for N95 Masks that I can get for the state of Minnesota for \$1.95 per mask. FOB China, 50,000 MOQ. They are ready to ship. Tell me who to work with in your administration.</p>
N95 Masks	RTD Logistics	Legrand G Lindor	612-782-1130	llindor@rtdlogistics.com	<p>We've finally got in touch with a group contracted by 3M for distribution of 1860s. There is stock of 100's of millions of units currently in the US. We just finished a zoom call confirming all details.</p> <p>There is a special program with 3M for hospitals, states, and cities. The price per unit is \$2.70 for the 1860s. We just need a letter authorizing RTD LOGISTICS, LLC to procure on your behalf. The letter is needed only to verify that the goods will be going directly to the hospitals, states, and cities.</p> <p>Funds are placed in escrow and released upon your inspection of goods. If you wish to explore further we can arrange a zoom call or email with the group contracted with 3M. RTD will be the entity authorized to put funds in escrow.</p> <p>Full transparency across the board. The LOI will be directly with 3M.</p> <p>Let me know if you have any questions or if I can provide additional info.</p>

Various	hiddenlemons	Alex M Calle	661-714-5823	alex@hiddenlemons.com	<p>Having worked in Asia for the past 10+ years, my company has been able to establish relationships there with a myriad of resources, connect the dots, and have been bringing three types of masks and one type of Nitrile Gloves into the US from Shanghai.</p> <ol style="list-style-type: none"> <li>1. KN95 - CE/FDA Approval</li> <li>2. Blue Masks Unmarked - The manufacturer states that it's kn95 quality and uses the same melt blown fabric but just no frills (all the add ons). No kn95 certification from the Chinese government. Very similar to a KN90 and uses melt blown fabric instead of woven. Still much better fitting/seal than the flat/loose surgical masks.</li> <li>3. White Masks w/ KN95 Stamp (Not CE/FDA Approved)</li> <li>4. Nitrile Gloves - Any size</li> </ol> <p>You can click <a href="#">HERE</a> for photos of the actual units as well as the CE/FDA Certificates.</p> <p>In the past month, we've been able to bring orders of 20,000 to 2 million units, in different shipments.</p> <p>Customs on both sides is the typical critical path (with a hold time of up to 2 weeks), however most shipments have made it through within a week and a half, from the moment the order is placed to when it arrives at your door.</p> <p>As part of the HCC, I wanted to reach out and let you know we have units, should you have a need.</p> <p>We have split out the Unit Costs (which gets the masks to the port in Shanghai), and Shipping Costs (which gets the masks from the port in Shanghai to your door).</p> <p>To keep costs down, we can connect you with shipping logistics, or we can help take this on. Shipping costs below are if you go directly with the shipping company.</p> <p>Unit Costs</p> <ol style="list-style-type: none"> <li>1. \$2.90 USD per unit - FOB - KN95 with CE/FDA Approval</li> <li>2. \$0.58 USD per unit - FOB - Blue Masks unmarked</li> <li>3. \$1.50 USD per unit - FOB - White Masks w/ KN95 Stamp (Not CE/FDA Approved)</li> <li>4. \$0.25 per unit - FOB - Nitrile Gloves - Any size</li> </ol> <p>Shipping</p> <p>The Chinese Custom and Air Freight adds about:</p> <ul style="list-style-type: none"> <li>- \$0.35 USD per mask to Italy</li> <li>- \$0.39 per mask to US</li> <li>- \$0.41 per mask to Mexico</li> </ul>
N95, other masks	Milagen	Christine Chavany	510-597-1244 x17	cchavany@gmail.com	<p>I am writing from Milagen, a biotech and medical supplies company in the San Francisco Bay Area. We are trying to do our part to fight this pandemic, and would very much appreciate it if you could please pass this information to the relevant procurement officer or any of your hospital and healthcare partners who are in need of PPE.</p> <p>Our company has recently expanded into medical supplies in direct response to the crisis, and our CEO has established connections to source both Surgical N95 masks and Medical/Procedure 3-ply masks from distributors and manufacturers in Mexico. As of now, they are able to supply us with:</p> <ul style="list-style-type: none"> <li>*Up to 500,000 N95 masks per week</li> <li>*Up to 1 million Medical 3-ply masks per week.</li> </ul> <p>Do not hesitate to either reply to me or to contact our CEO, Moncef Jendoubi, at moncefjendoubi405@gmail.com.</p> <p>Thanks to you and your team for all the critical work you are performing for us all.</p>
