## **SAUK RIVER WATERSHED MANAGER RESPONSIBILITIES PROTOCOL**

The Todd County Board of Commissioners are required by MS 103D.311 to appoint Managers to Watershed Districts such as the Sauk River Watershed District within their jurisdiction.

The Todd County Board of Commissioners have developed a set of responsibilities that they desire a Manager of the Sauk River Watershed to adhere to as an appointed representative selected by the County Board.

The Responsibilities of a Manager of the Sauk River Watershed District Board are as follows:

1. To be fiscally responsible to the Taxpayers of Todd County.
2. Report monthly to the County Board with updates by e-mail or in-person by request of the County Board.
3. Support separating the Watershed business and Stearns and Pope County's Ditch business matters by having 2 separate meetings monthly.
4. Keep the People of Todd County informed on what the Sauk River Watershed Board of Managers are acting which could include providing articles to the local newspapers.
5. To go in-person to site projects within Todd County to ensure that when a vote is taken on the project that there is ample understanding of the project's scope.
